The So Called Same-Sex Marriage, Sweet But The Most Horrific Enemy Hea Sook Son, 2015-10-09 Chief Justices argued that same sex marriage had nothing to do with the Constitution Four Justices including Chief Justice clearly opposed it It is very shocking and disgraceful in US history that the so called same sex marriage was legalized nationwide It is frightening that the court s decision under Obama s administration did very cruel things to good Americans who have good morality and honesty as what they believe to be true according to their religious beliefs The bakers were forced to give up their Christian belief being forced to make cake for gay wedding Clearly this was in violation of their moral conscience and religious belief They forced admirable Americans to involve themselves in what they feel is the twisted and the immoral We were terrified and shocked how things like this could happen in America the land of freedom and democracy not of dictatorship or communism We had never imagined it before Something terribly wrong is going on in America Something horrible is going on intentionally or unintentionally among the American people and Christians The freedom of good Americans is being crushed It will ultimately diminish and demolish the Americans sometime in the future weakening America bit by bit every day Certainly I think that Americans all of us love our nation America We all care about the future fate of America I ask Do you know the consequence of the so called same sex marriage Do you know what will happen in your nation when you and many Americans are in same sex marriage Do you see

the future of America America is in a big Crisis Same sex marriage is sweet but the most horrific enemy to America Keywords Marriage Same Sex Marriage Silent War Human Extinction Sweet Horrific Enemy Gay Lesbian America Confusion LGBT
