The Catholic Controversy:

The Catholic controversy Saint Francis (de Sales), Henry Benedict Mackey, 1909 **The Catholic Controversy** St. Francis de Sales, 1986-01-01 Between 1594 and 1598 a preacher named Francois converted 72 000 Protestants to the Catholic Faith These are his words One of the most remarkable and well documented events in Catholic history began when a young priest St Francis de Sales volunteered to re evangelize the Calvinists of the Chablais Finding his preaching forcefully rejected St Francis de Sales shrewdly switched tactics and began a written apologetics campaign posting pamphlets on walls and slipping them beneath doors under the cover of night His defense of the Faith was so clear and thorough that at the end of four years nearly the entire population of 72 000 had returned to the Catholic Faith These powerful little tracts are as relevant today as they were in the late 1500s St Francis de Sales draws support from Scripture the Fathers and Doctors of the Church to address questions still frequently posed by modern Protestants Revered as some of the most cogent arguments against Protestantism ever penned they present a defense of the Catholic Faith that has never been equaled Now with beautiful new cover easier to read size updated typesetting and the original content 320 pps PB St Francis de Sales was one of the most effective Catholic apologists and evangelists of the past five centuries Undoubtedly he is the most effective apologist to Protestant Calvinists who has ever lived Steve Wood Family Life Center International *The Catholic Controversy* Saint Francis de Sales, Aeterna Press, 2015-09-01 THE FOLLOWING TREATISE is the message or teaching of S Francis de Sales to the Calvinists of the Chablais reluctantly written out because they would not go to hear him preach The Saint neither published it nor named it We have called it The Catholic Controversy partly to make our title correspond as nearly as possible with the title Les Controverses given by the French editor when the work was posthumously published chiefly because its scope is to state and justify the Catholic doctrine as against Calvin and his fellow heretics It is the Catholic position and the defense of Catholicism as such At the same time it is incidentally the defense of Christianity because his justification of Catholicism lies just in this that it alone is Christianity and his argument turns entirely on the fundamental question of the exclusive authority of the Catholic Church as the sole representative of Christianity and Christ Aeterna Press

The Catholic Controversy Saint Francis (de Sales), 1886 **The Catholic Controversy (Classic Reprint)** Saint Francis De Sales, 2015-07-03 Excerpt from The Catholic Controversy This teaching he tests in Part II By the Rule of Faith Assuming as common ground that the Word of God is the Rule of Faith he shows that the so called reformers have composed a false Scripture and that they err also in rejecting Tradition or the un written Word of God And then proceeding to the central point of his case he shows that while the Word of God is the formal Rule of Faith is the external standard by which faith is to be measured and adjusted there is need of a judge who may explain apply and declare the meaning of the Word That judge is the Holy Catholic Church She is thus the necessary exponent of the Rule of right believing and each of the voices by which she utters her decision becomes also a part of the Rule of Faith viz her own general body Councils Fathers

and her supreme Head and mouthpiece the Pope the successor of S Peter and Vicar of Christ Miracles and harmony of doctrines may be considered the complement of the Rule of Faith In all these matters the Saint proves conclusively that the Catholic Church alone fulfils the necessary conditions In Part III He comes to the doctrines of the Church in detail but of this Part there only remain to us three chapters on the Sacraments and an Essay on Purgatory This may suffice as to the aim and subject matter of the Treatise Of its intrinsic merits the author s name is sufficient guarantee but we add more direct testimony because it is a new revelation of the Saint About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
