The Big Tiny A Built It Myself Memoir:

The Big Tiny Dee Williams, 2014-04-22 Dee Williams's life changed in an instant with a near death experience in the aisle of her local grocery store. Diagnosed with a heart condition at age forty one she was all too suddenly reminded that life is short, time is precious and she wanted to be spending hers with the people and things she truly loved. That included the beautiful sprawling house in the Pacific Northwest she had painstakingly restored but increasingly it did not include the mortgage payments, constant repairs and general time suck of home ownership. A new sense of clarity began to take hold. Just what was all this stuff for? Multiple extra rooms, a kitchen stocked with rarely used appliances were things that couldn't compare with the financial freedom and the ultimate luxury time that would come with downsizing. Deciding to build an eighty four square foot house on her own from the ground up was just the beginning of building a new life. Williams can now list everything she owns on one sheet of paper, her monthly housekeeping bills amount to about eight dollars and it takes her approximately ten minutes to clean the entire house. It's left her with more time to spend with family and friends and given her freedom to head out for adventure at a moment's notice or watch the clouds and sunset while drinking a beer on her yes tiny front porch. The lessons Williams learned from her aha moment post trauma apply to all of us every day regardless of whether or not we decide to discard all our worldly belongings. Part how to part personal memoir. **The Big Tiny** is an utterly seductive meditation on the benefits of slowing down, scaling back and appreciating the truly important things in life. **The Big Tiny House** Dallas Dellavalle, 2021-08-29 One of the greatest benefits of a tiny home is cost savings. Because space is so much smaller than the average house you'll have lower electricity bills, smaller monthly payments and lower upkeep costs. On top of that the house will cost less to buy upfront or have lower rental payments. Without any previous building experience I decided to build a tiny house on wheels. It took just about a year and 11 000 dollars to build a new home. This book gives you a step by step guide on how I built my tiny house. It also provides tips that I wish I had known before I started building and includes my experience with the building process, minimizing and how my life has changed since building my house. *The Beginner's Guide to Tiny Houses* Alexis Stephens, Christian Parsons, 2021-08-31 Discover why tiny houses are such a big deal. Circus Queen and Tinker Bell Tiny Kline,2008-06-18 A glimpse of day to day life under the big top from one of the circus's most remarkable performers **G - for God Almighty** David Farrer,1969 Marked for Life Joie Davidow,2003 Attractive and successful Joie Davidow presents a confident face to the world But her carefully applied makeup conceals a secret she has kept for decades She was born with a port wine stain a purple mark that covers most of the left side of her face including her eye Tormented as a child shunned as a teenager she thought of herself as deformed and ugly until in her second year of college she discovered cosmetics that would allow her to hide the mark on her face She learned to paint on a mask that made her appear normal if not downright beautiful Suddenly she was no longer the girl with the big purple mark Behind the mask she was safe protected from the astonished eyes and unkind remarks of strangers Her deception was her freedom but it was

also her imprisonment a threat that never left her For most of her life she feared that a hot humid day a strong wind an errant tear or even a fervent embrace would destroy the face she had so painstakingly created revealing her shameful secret While hiding behind the mask she became a newspaper editor then a magazine publisher She sat front and center at runway shows in Paris London Milan and New York She was an authority on all things glamorous appearing frequently on television But alone at night she washed her face and saw a disfigured woman in the mirror Marked for Life chronicles Joie s coming of age with a facial difference and a family who tried to deal with the purple mark by denying its existence It is the story of Joie s search for a man whose love she could trust despite her marked face and her passion for the man who loved and accepted her It is the story of how she refused to be defined by the stain that disfigured her and how finally she came to realize that despite being marked for life she is really just another face in the crowd no different from anyone else Written with honesty wit and a true storyteller s gift this book will resonate with all of us who have at times felt that we too were secretly marked and somehow different from the rest of the world
