Resultatives Seizi Iwata,2020-03-15 The objective of this book is to develop a force recipient account of English resultatives Within this approach the post verbal NP is a recipient of a verbal force whether it is a subcategorized object or not and the verbal force being exerted onto the post verbal NP is responsible for bringing about the change as specified by the result phrase It is shown that many apparent puzzles posed by English resultatives are due to the complex interplay between the verb meaning and the constructional meaning or between the verb meaning and the semantics of the result phrase Thus the proposed account can provide answers to the question Which resultatives are possible and which are not in a coherent way Also the proposed account reveals that English resultatives are not a monolithic phenomenon and that some resultatives cited in the literature as such are not resultatives at all This book is of interest not only to practitioners of Construction Grammar but also to everyone interested in English resultatives **ALICIA II (English Edition)** Robert

I Can't Fall In Love (English Edition) Renée Conte,2025-08-21 Five years had passed since Andrea and Beatrice had last seen each other in person and if it hadn t been for that incomplete message she had sent him by mistake they probably wouldn t have met again The two young people had met when they were still children during their summer holidays on the beach at Follonica A sincere and innocent friendship was immediately born between them which grew stronger every summer until as teenagers they realized that that friendship had turned into a tender infatuation especially on Andrea s part But their beautiful friendship did not continue due to the break off of the engagement between Beatrice s mother and her partner who no longer allowed her to return to Follonica Although Beatrice and Andrea both lived in Milan they never had the chance to meet During the year Andrea he used to study in Switzerland in the summer he spent his holidays in Follonica Then once he graduated from high school he moved to New York to continue his studies A distance that is difficult to bridge Then even their phone calls which were frequent at first became increasingly rare over time until they stopped altogether Therefore that delicate feeling that had united them as teenagers seemed destined to remain only a beautiful memory At the age of 19 and having put aside her crush on Andrea unlike her peers Beatrice still didn t have a boyfriend and was not interested in having one She preferred to avoid sentimental complications so as not to be conditioned by the expectations and decisions of others She had goals to achieve before she could fall in love first of all her studies then her career and last but not least her independence Beatrice knew the pain her mother had suffered for always putting love first She didn t want to make the same mistake But in love there are no rules it is practically impossible to choose when and with whom to fall in love because love is an instinctive feeling that arises when you least expect it that absorbs you body and soul that makes you do stupid things even and you cannot love or not love on command to avoid them Despite her stubbornness Beatrice s intentions are shattered when after receiving that message Andrea asks to see her again It takes little to awaken in the boy the strong feeling he had felt years before for his young friend at the same time Giorgio Beatrice s lifelong friend also declares to her that he feels something that goes far beyond mere friendship However she is not ready to start a romantic relationship neither with Andrea nor with Giorgio for whom she nevertheless feels a deep affection In order not to disappoint either of them and not to make any decisions about their statements she is convinced that she will be able to manage the friendship of both of them Without emotional involvement but it is only an illusion and the sentimental complications she so badly wanted to avoid will come crashing down on her without her realising it With love also comes jealousy which will make her make bad decisions And it is from that moment

that things really start to get complicated *John Sinclair: Demon Hunter Volume 6 (English Edition)* Jason Dark,2022-04-20 The work of a demon hunter is never done While John Sinclair s still in Romania hot on D Kalurac s trail a band of vampires cause trouble in London Not only do their spawn infiltrate a British ministry the vampires even kidnap Bill Connolly s wife and son John Sinclair has to pull out all the stops to put an end to D Kalurac s plans But evil is never without company and John also has to travel to a French monastery to decipher the mystery behind aeber Just what could it mean The final story in this volume sees John head to Wales where he has to prevent the nachzehrers from rising and do battle with a familiar face **John Sinclair: Demon Hunter Volume 8 (English Edition)** Jason Dark,2022-10-17 In the darkest corners of Paris shadows have begun to stir Peculiar creatures have arrived to take back Belphegor s land When John Sinclair wakes in the basement of the Louvre he must fight for his life or meet a traumatising fate to be shrunk and trapped for the entertainment of his greatest nemesis If only his friends could save him Will Mallmann meanwhile takes a well deserved break in the Bavarian Forest but not even the dead will let him rest The team had better be prepared for one hell of a ride be it involving walking skeletons a joyous wedding or a terrible tragedy *A Dictionary of the English Language* Noah Webster,1856
