Mother's Wish Karen Templeton,2008-08-01 Winnie Porter just couldn t forget the child she d given up for adoption all those years ago or the wonderful family that had taken him in Now it was finally time to see her son one last time Still reeling from his wife s untimely death the last thing Aidan Black needed to deal with was the unwed mother who brought his beloved Robbie into the world Especially when she was all grown up into a beautiful vivacious young woman who d immediately drawn his boy into her spell not to mention Aidan himself Would Winnie s secret shatter Aidan s family or make it whole again *Winnie Zeng Unleashes a Legend* Katie Zhao,2022-04-26 An epic new fantasy series inspired by Chinese mythology that 1 New York Times bestselling author Kwame Mbalia calls a hilarious tussle between homework family and heroism When a girl awakens the stuff of legends from an old family recipe she must embrace her extraordinary heritage to save the world Winnie Zeng has two goals survive her first year of middle school and outdo her stuck up archnemeses David Zuo It won t be easy since according to her older sister middle school is the pits Luckily Winnie studied middle school survival tactics in comic books and anime and nothing will stop her from being the very best student But none of Winnie s research has prepared her to face the mother of all hurdles evil spirits When she makes mooncakes for a class bake sale she awakens the stuff of legends from her grandmother s old cookbook spilling otherworldly chaos into her sleepy town Suddenly Winnie finds herself in a race against time vanquishing demons instead of group projects Armed with a magic cookbook and a talking white rabbit she must embrace her new powers and legacy of her ancestors Because if she doesn t her town and rest of the world may fall to chaos forever *Maine Life at the Turn of the Century* Diane Barnes,Jack Barnes,1995-10-01 Before her death in 1910 Nettie Cummings Maxim chronicled the people landscapes and animals of a typical Maine farm at Bird Hill in Bethel at the turn of the century In a time before mass media her world consisted almost entirely of her family and farm This

intimate familiarity with her immediate world and a degree of cultural isolation allowed Nettie to explore and capture on film the details of farm life through the seasons and the innocence and wisdom in the eyes of the children whose lives were so closely entwined with life on a rural Maine hill farm After one look at her photographs her innate artistic talent becomes immediately apparent her use of natural light the composition of her images and her eye for detail lend a tremendously beautiful evocative quality to her images She turned the long exposures mandated by film at the turn of the century to her advantage and somehow manages to create the illusion of motion in her photographs Through her cameras Nettie recorded the world that was so endearing to her a world that has gone largely undocumented by photography In doing so she has given immortality to the people buildings and even the animals that were part of her life and her microcosm of society nearly a century ago as well as giving us a rare insight into the intricacies of daily life in the nearby communities of Locke s Mills and Greenwood Allow her to lead you back into life in rural Maine at the turn of the century it is a journey worth making and one that you will never forget
