Term Papers Step by Step: Planning, Research, and Writing Clark Stevens,1991 Unlike most textbooks that focus only on the technical points these 50 worksheets go beyond basic term paper mechanics to help students overcome obstacles that cause stress and writing blocks They offer practical strategies for students most common problems such as negative self talk trouble budgeting time procrastination being blocked for ideas or getting bogged down in research Topics present the entire research and writing processes in easy manageable steps

Clio's Favorites Robert Allen Rutland,2000 Although historians talk about each other s work routinely they have been reluctant to record their thoughts about the leading practitioners of U S history Robert Allen Rutland attempts to remedy this state of things with this collection named for Clio the Greek muse vested with the inspirations of history The volume offers a glimpse of the lives and work of historians who must be considered among the most remarkable from the last half of the twentieth century The roll call of excellence for Clio s Favorites was established after Rutland informally polled some twenty five historians asking them to name the outstanding workers in the field of U S history since the end of World War II Among the criteria for selection were quality not volume of the historian s work influence in the field of study importance of his or her graduate and undergraduate teaching and the figure s public persona as reflected by awards honors and involvement in public service The historians profiled in Clio s Favorites most of whom broke new ground met and surpassed these standards The list could have gone on but Rutland believes these twelve represent the cream of the crop Just as the subject of each essay in Clio s Favorites is a remarkably distinguished historian the authors of these twelve essays are accomplished historians themselves Good historical writing is never outdated Rutland argues The extensive work of the scholars profiled here has endured and will continue to endure Likewise the writing in Clio s Favorites by twelve expert historians will survive This book will be a lasting record of the contributions made by the best U S historians practicing their craft over the last fifty years
