To Whom Much Is Given, Much Is Required Rufus O Jimerson, Dr, Rufus O. Jimerson, 2014-10-03 The purpose of this book is to highlight Jesus true message of salvation peace and fraternity towards one another in respects to God's will Scriptures of the Holy Bible are cited in this respect particularly the New Testament written by Apostles of Jesus Christ The focal point of his message is the treatment of the sick and needy by the wealthy and privileged Those blessed by wealth special talents and skills are required to use them wisely to mitigate the pain and suffering of the least advantaged Yet narcissism hedonism extreme consumption ethnocentrism and hubris have replaced devotion to God and his only son Jesus Christ The faith of the Father and Son is now being used to justify the Gospel of Wealth and hegemony over the least advantaged that have been stigmatized casted and scorned The true Christian values are acknowledged The leader of the Universal Church of Christ Pope Francis espouses these values In his Apostolic Exhortations he claims that the poverty of hunger and exposure to the elements created by political economies devoted to greed competition and survival of the fittest are killing people Much of the world's population particularly people of color is marginalized without work hope and the means to escape dire poverty The established church and western society is mired in a devotion to secular materialism and Eurocentric hegemony They rationalized that their esteem status in these throw away societies result from Christian blessing This book argues that this nation is contrary to traditional Christian values that founded the very church they claim to represent This sanctioned notion a norm in these exclusionary societies is based on ruthless idolatry of money and what it could buy The ensuing Gospel of Wealth espouses To the Victor goes the Spoils The plutocrats and their surrogates foster governments and austerity programs that rob the poor and working class to enhance their own wealth The poor needy and sick are treated like commodities that once they are used for maximum gains they are summarily discarded The book delves into corporate led commercialism that has pushed religious traditions and customs to the back of the bus Activism and

protest by Reverend Talen is highlighted in this respect He focused on the over commercialization of the Christmas holiday at the expense of Christian values The most heralded Christian holidays that include Easter have become secularized to booster sales consumption and profits for the plutocrats and their surrogates This idolatry of greed is clearly a misuse of biblical teachings The Pope following Christ s message advocates mercy toward the poor and needy inclusiveness tolerance healing and forgiveness The book reveals that the roots of Christianity have been distorted to reinforce ethnocentrism Western hegemony and neocolonialism Africa rather than Europe is where Christianity developed African people that are among the least advantaged and most scorned in the American society rooted the faith The original people of the Bible its authors Apostles and Prophets reflected the ethnicity and culture of Africans now found in Sub Sahara Africa and in America Artifacts found in early Christian churches throughout Europe into Russia provide ample evidence of the people that founded Christianity Ironically their descendants are among the meekest and most scorned in Western society as they were in Roman occupied Israel in Northwest Africa *Occasional Sermons and Addresses of Dr. C.F.W. Walther* Carl Ferdinand Wilhelm Walther,2008 APOSTLES, PROPHETS, EVANGELISTS, PASTORS, AND TEACHERS GODSWORD GODSWILL ONU,

THE TEACHING MINISTRY GODSWORD GODSWILL ONU,2015-03-16 Teaching the Word of God involves explaining and expounding the Word of God so that it can be well understood by the Believers Teaching may involve changing someone s ideas and thoughts by showing or telling someone how they should behave what they should think on and what they should believe To explain the Bible the Scripture is to make it clear or easy to understand To expound the Word of God is to explain or talk about it in detail Teaching the Believers gets them established in the Faith and in the Word of God It is a way of getting them mature Teaching the Believers the Word of God gets them rooted in God and His Word This book is about the teaching ministry **The Final Testament the Two Witnesses** Ima Prophet,2009-11-20 This book contains the mysteries written in the book of Revelation concerning the Seals Vials and Trumpets Also the times in which they are fulfilled and the times forth coming And the deep and hidden things from the times of old That there is a God thats not only watching but also performing an awesome work before us mankind and those who are watching and influencing us The parables of Christ will begin to take on new meaning as to the times and seasons of our world As well as whats coming which will change the earth as we know it This book also contains a former and latter writings which took 22 years for its completion This book also gives prophecies concerning the years to follow as well as the knowledge and technology which is forth coming and destine for our generation And if that was not enough this book also reveals the key to the understanding of the Unified Field Theory which Albert Einstein was unable to finish in his life time And to date it has been cast off and replaced with other concepts which he himself rejected Because he knew that there is a Unity Theory that would apply to these fields together because they are liken to one another and must have a common link to their characteristics This in turn would open a whole new concept that will usher in a knowledge and an awesome Technology that our mind has never even considered before **The Evangelical**
