Ignatian Pedagogy for Public Schools Benjamin J. Brenkert, 2023-07-27 This book shows how the pedagogical philosophy of the Society of Jesus the Jesuits founder Ignatius of Loyola can be used and applied in public school settings in the USA and around the world without dismantling the separation of church and state Ignatian Pedagogy should be considered a historical precursor to modern practical and pedagogical theories such as culturally relevant pedagogy and equity frameworks in education with Jesuit foundational texts such as the Ratio Studiorum including material about working within and valuing the context of the culture surrounding schools emphasizing student voice and empowering the student as a co teacher Based on new research carried out in New York City Department of Education NYC DOE schools the author argues for universal character formation programs based on already existing and highly effective programs at Jesuit sponsored schools The research shows that universal character formation programs are highly effective in developing students flourishing strengthening their relationships with themselves and others and enabling critical reflective thought Based on the theory of Ignatius of Loyola and the work of thinkers including Paulo Freire Mahatma Gandhi Elisabeth Johnson and Martin Luther King Brenkert presents a theological philosophical framework for creating a beloved community free from oppression poverty and hate **What Survives of Us** Kathy Miner, 2014-07-31 B R A G Medallion Honoree and National Indie Excellence

Award Winner Naomi sees her first corpse in a Colorado Springs grocery store but it won't be her last. With devastating speed a plague sweeps first the city then the state then the world leaving less than 1% of the population to go on. Naomi a gentle and sheltered housewife finds herself fighting for survival in a world populated by desperate people where might makes right and mercy and compassion are in short supply. Fellow survivors Jack a youth minister from Woodland Park Grace a 17 year old high school student from Limon and Naomi's daughter Piper a student at the University of Northern Colorado all find themselves searching for a safe path forward because it's not just the world that has changed. The plague that decimates the human race also pushes mankind into evolutionary change. Those who survive are different profoundly so in ways they are just beginning to comprehend. As Naomi struggles to protect and reunite what's left of her family she must also learn to understand and accept the changes in herself. In this strange new world her survival and the survival of those she loves depends on it.

Research Writing Rewired Dawn Reed, Troy Hicks, 2015-10-22. Our students are online constantly and yet research shows that only half of teachers say digital tools make writing instruction easier. *Research Writing Rewired* seeks to turn that statistic upside down. Or rather upside right. If we want to ready students for a globalized world 100% of teachers ought to consider technology an asset to any kind of writing. assert authors Dawn Reed and Troy Hicks. But the main wiring still has to be the ELA standards and the essential questions at the heart of each content area. To that end the authors show you how to use digital tools within a multi week inquiry unit to increase students engagement as they write to learn and share knowledge. Their book a clear model for tech rich research writing that will inform your own inquiry driven units. Guiding components include An inquiry based technology rich unit on identity and culture that provides learners with opportunities to engage with the very same issues that are written about and discussed by citizens of a global society. 28 model lessons and a framework including extensions tech tips and activities that blend print image apps and video so
