

MOOD VS. TONE

Name: _____

The Start of Something Great!

On the first day of school, I couldn't believe I was starting 3rd. When I entered the classroom, I was amazed to see the room with sparkling lights and a colorful library filled with books! I found my desk by finding my name tag. It had my name and was even written color! I knew this was going to be an amazing year!

Which word best describes the author's **tone**/attitude towards the first day of school?

What is your **mood** after reading this?

Ughh... Again?!?!?

"My alarm clock woke me up too early," I said to my friend on my way inside the building. I couldn't believe I was back again. It felt like it was just June and now I was back at this horrible, depressing place. I was kind of excited to meet my teacher, but I was also a little nervous. I was rather bored playing Fortnite!!! I walked into the classroom and saw all the desks and chairs. I found my desk and plopped down with a heavy sigh.

Which word best describes the author's **tone**/attitude towards the first day of school?
