Too Many White Men:

White Men Can't Hump (As Good As Black Men) Todd Wooten, 2006-10 *White Men Can't Hump* is a book of hope. The hope is that one day Black Men in America will no longer be viewed as unintelligent, unattractive, undesirable, uncivilized, and just plain old worthless. *White Men Can't Hump* will address why Black Men in America are perceived in such a negative way and will also explore the origins of this negativity. *White Men Can't Hump* will also explore how this negativity has been spread for the last four centuries: a la stereotypes and why this negativity has been spread a la Fear of the Black Penis. Several of these so-called negative stereotypes will be closely examined and shown in a new light. *White Men Can't Hump* will ask why two well-known stereotypes that have been historically assigned to Black Men are only considered negative when applied to Black Men. Most men desire a large penis and an elevated sexual prowess, but all across America, in offices, bars, and locker rooms, the Black Penis and Black Prowess are routinely the punch line to jokes. *White Men Can't Hump* will ask why and will also ask a question that will create a debate for the ages: Who's better in bed, Black Men or White Men? *White Men Can't Hump* will take you, the reader, on an educational and enlightening journey through America's past and present with the hope of changing America's future. So sit back and enjoy or cuss, agree or disagree, and most importantly, think with an open mind. Because whether you like it or not, *White Men Can't Hump* tells the story of who all of us are, where we've come from, and where we're going. *White Men Can't Hump* is divided into two VOLUMES. VOLUME I focuses on how Sex has historically affected Race relations in America, and VOLUME II focuses on how Race has affected Sex relations in America. Don't be confused by the similar titles because both VOLUMES pack a different Sexual, Racial, Political, and Social punch. For more information, feel free to visit www.whitemencanthump.com. Department of the Treasury, 1896 *Liberalism* Mark Dice, 2018-11-13 It's as if we're living in an episode of the Twilight Zone. Every day we are inundated by news reports trending topics on social media

and new political movements promoting such bizarre beliefs about race gender sexuality and life in general that it is impossible in many cases to distinguish whether such ideas are serious or if they are a parody of what liberalism has become. The political differences between liberals and conservatives used to be pretty well established but recently the tug of war between the Left and the Right took a dramatic and disturbing turn. Modern liberalism has been replaced with new mind boggling agendas promoting the adoption of unscientific authoritarian and sociologically disastrous ideologies. In attempts to accomplish their plans the Left are conspiring to end freedom of speech traditional families long cherished holidays and hope to implement a new world order. Who is behind this madness? What is their ultimate goal? How far are they willing to go to achieve it? And what can we do to stop them? Bestselling author and media analyst Mark Dice takes you on a tour inside the minds of those constructing this new social landscape in his groundbreaking investigation *Liberalism Find a Cure*.

Scott Fitzgerald's *The Great Gatsby* as a challenge to the racial hegemony of biological white supremacy. Fitzgerald convincingly and boldly shows how racial passing by light skinned Black individuals becomes the most fascinating literary trope associated with democracy and the enduring desire for the American Dream.

Hollywood Propaganda: How TV, Movies, and Music Shape Our Culture Mark Dice, 2020-10-03 Films and television shows aren't just entertainment. They are powerful vehicles that influence social and political trends ultimately shaping the very fabric of our culture. Because of this potential there are various agencies which work behind the scenes in Hollywood to harness these forces for their own aims or those of their clients. Few people outside the industry are aware that such agencies exist and are hired by advocacy groups to lobby studios writers and producers in order to get their ideas inserted into plots of popular works. These Hollywood lobbyists have been instrumental in successfully paving the path for same sex marriage to become legal destigmatizing abortion encouraging mass immigration and sounding the alarm about climate change all under the cloak of mere entertainment. More recently we've seen these same powers levied against President Trump his supporters and used to demonize white privilege as an

invisible enemy that is supposedly around every corner Even sports and late night comedy shows are employed for political causes violating the once unwritten cardinal rules of their industries In this groundbreaking work media analyst Mark Dice details the true power of entertainment and proves how it is being used to wage a psychological war against the world
