Become Your Own Stockbroker The Guerrilla Principle Lore of the Global Trader and Master Trader *Money-Making Candlestick Patterns* Steve Palmquist, 2012-10-16 Candlesticks are one of the most widely used technical tools in trading. Designed to provide detailed at a glance information, these charts are integrated into almost every web site and charting software solution. But despite their popularity, the definitions of these candlestick patterns are often vague and misleading. Now for the first time ever, Steve Palmquist hands you the secrets for effectively using candlestick patterns in all market conditions. Data that would take years to compile and years to interpret is now at your fingertips. Based on intensive back testing and research, *Money Making Candlestick Patterns* shows how to appropriately use the most popular candlestick patterns in bull, bear, and sideways trends. Built from PROVEN FACTS, not theory, you'll learn clear definitions of each selected pattern to remove guesswork and improve performance. Exactly what you need to know about back testing to increase your wins and minimize your losses. The impact of various market conditions on the most powerful patterns to remove surprises and increase profits. Keys to eliminating common testing mistakes that can prevent you from making money. The candlestick pattern that has shown triple ROI in back testing. This book rigorously tests the assumptions inherent in standard candlestick pattern definitions. Each chapter breaks down the pattern to examine how parameters such as current volume, average volume, and price level will impact results. The definitions that most often produce profitable trades are identified and outlined with complete usage instructions for increasing your winning trade percentage. In this book, technician Steve Palmquist hands you his years of research. The information on back testing and the insight into your favorite patterns will give you a seasoned advantage in a fraction of the time. Thorough and efficiently organized, this book will allow you to use candlestick patterns to exploit every move the market makes. MIDAS Technical Analysis Andrew Coles, David Hawkins, 2011-03-23 This book provides a new powerful twist to MIDAS technical analysis, a trading method developed by the late Paul Levine. The authors show how to employ MIDAS in trading, from recognizing set ups to identifying price targets. The book explains the basics of MIDAS before demonstrating how to apply it in different time frames. Further, it extrapolates how MIDAS can be used with other more conventional indicators such as DeMark or moving averages. In addition to introducing new indicators that the authors have created, the book also supplies new computer codes. **The Penny Share Millionaire** Jacques Magliolo, 2017-03-24 So you're interested in becoming penny share millionaire. The simple answer is follow trading rules and you can live your dream. Trading takes courage and an understanding of market psyche. In a world fraught with economic and political upheaval, it becomes essential to plan to find lucrative shares while minimizing downside risk. This book shows you how to research, assess, and discover profitable shares. **Beginner's Guide to Day Trading Online** Toni Turner, 2000-02-01 This is a useful guidebook for those looking to engage in day or short term trading in the stock market. The topics covered include technical analysis of stocks, market fundamentals, skills and strategies of professional traders, and how to select an online broker. The author discusses how to trade in 4 different time frames: day trade, short term, swing, and scalp.
