Bill Milkowski,2021-10-01 After John Coltrane there was no more revered and profoundly influential saxophonist on the planet than Michael Brecker For those coming of age in the 1970s during that transitional decade when the boundaries between rock and jazz had begun to blur Brecker stood as a transcendent figure He was their Trane Ode to a Tenor Titan follows Michael s story from growing up in Philadelphia finding his tenor sax voice during his brief stint at Indiana University making his move to New York City in 1969 and taking the Big Apple by storm through the sheer power of his monstrous chops on the instrument A commanding voice in jazz for four decades Brecker possessed peerless technique a byproduct of his remarkable work ethic and relentless woodshedding and an uncanny ability to fit into every musical situation he encountered whether it was as a ubiquitous studio musician more than nine hundred sessions for such pop stars as Paul Simon James Taylor Bruce Springsteen Todd Rundgren Chaka Khan and Steely Dan playing with seminal fusion bands like Dreams Billy Cobham and the Brecker Brothers or collaborating with the likes of Frank Zappa Charles Mingus Pat Metheny and Herbie Hancock But his biggest triumphs came as a bandleader during the last twenty years of his career when he produced some of the most challenging inspired and visionary modern jazz recordings of his time A preternaturally gifted player whose facility seemed almost superhuman he was also modest to a fault and universally beloved by fellow musicians After coming through a dark decade of heroin addiction he turned his life around and became a beacon for countless others to lead clean and sober lives At the peak of his powers he was struck down by a rare preleukemic blood disease that sidelined him for two and a half years He got off a sick bed to make a heroic comeback with his swan song Pilgrimage which Pat Metheny called one of the great codas in modern music history and which earned him a posthumous Grammy Award in 2007 Michael Brecker was a player of tremendous heart and conviction as well a person of rare humility and kindness and his story is one for the ages **The Instrumentalist** ,2006 [The Sax & Brass Book](#) Paul Trynka,2003-06-01 Book This is the

Bandmaster ,1927 **Main Street Melody** Stephen W. Hoag Ph.D.,2023-09-10 Main Street Melody is an uninhibited melodramatic novel of love and romance that speaks to the intrinsic sway of music MELODY reveals the power of music Often just the first few bars of a tune can revive a memory of many decades ago or almost magically flip an internal switch changing despair into joy and loneliness into a swath of warmth No other domain in our society has that capacity and that personal impact Music in its many forms meets the needs of every person in every demographic category The teenage and adult characters in this textured novel of the age of innocence will touch your heart in endless ways from the tenderness of a first kiss to the nefarious pranks of unfettered youth In each moment of wonderment there will be music as you have never experienced it before From the echoes of car radios to the magnificent sound of a concert band the creative excitement of a garage band to that singular voice that when heard just once can never be forgotten The purported calculable components of life are often capricious as one can never count on the preciseness of happenstance Such are the purported necessities of life food water shelter and clothing Indeed each is indispensable but at the mercy of economic and environmental conditions With all of that to

contemplate in the textured world all about us one element brings forth the dreams and memories of special moments hope and love MUSIC The dramatic conclusion surely will convince you that MUSIC like love never fails and no matter the occasion or the circumstance of life music makes the darkest moments more tolerable and enhances the zenithal peaks of a lifetime Main Street Melody will capture the fullness of your senses and bring music to new heights in your heart
