Become a Mistress dozens of topics immediately flew into my head that had not yet been covered in this book Capturing the versatility of BDSM in one book just proved impossible And I fear that even two books is going to be too little More BDSM is the logical sequel to How to Become a Mistress In this book I go even deeper into the versatility of BDSM All kinds of game forms and materials are discussed that have not been discussed before BDSM is difficult to capture in a handful of words That will always be a challenge even though it is my passion and lifestyle There is still so much unnecessary taboo surrounding this subject and so many misunderstandings I like to introduce the world to the loving intensity of BDSM A side that to my mind gets far too little attention It is so much more than flapping a whip in a sexy outfit It s about merging finding each other in the deeper layers of our being and accepting yourself and each other as a whole **His New Position:**
