Vick, 2014-03-25 The Poetry Book is more than a collection of poems it is instructive as to poetic technique and convention as well as types of poetry In it there are no prose paragraphs that have been restructured into stanzas or mysteriously configured and presented as poems with diction and subject little more interesting than closed garage doors in a tract home subdivision There is free verse here and traditional rhythm and rhyme but it is all poetry And it is poetry not because the author wants it to be but because of the poetic techniques and conventions he has employed A stanza does not a poem make nor does bombastic delivery If the traditions rules of writing and conventions of literary history are of no value to poetry then there is no poetry **Poetry People** Sylvia M. and an entity in this life I know deep down each person is here for a specific reason and it is not that easy for anybody to realise what that reason is The world is changing at even a faster pace now so many of us want to attach to what was so many are attached to what is and many are could be looking towards to what is becoming Which is the evolving human consciousness of who we are In so many cases we think we have all the answers in so many cases we think we have none This book of poetry wants to dance in the middle of such dilemma better yet of such awakening that is happening in all of us It s only right we gradually wake up as we ve been asleep our whole lives As we wake up from our habitual ways of being as we begin to question more and more we can t help but move towards our soul s expansion it s as though we are all feel our evolving and want to keep up with our soul s journey We begin to tear down the walls rip back the layers unwire the wiring and draw a new painting on our life s canvas Since moments when we feel connected and whole are specifically moments we want to increase in our lives till it becomes a part of us better yet who we are The poetry in this book is here to ignite inspire and rekindle that connection like returning back to nature or looking deeply in the mirror and seeing your soul excited to live each moment in front of you and to contribute here in some way
