A new barter system allows players to trade and sell various resources gathered from the areas surrounding Paititi. Shadow of the Tomb Raider has plenty to do besides following its story, tracking down treasure from clues written on monoliths, discovering extraordinary hidden tombs with by far the best puzzles in the game, hunting jungle creatures, solving local mysteries in populated areas. These endeavours are great fun, especially the hidden tombs. This is a comprehensive guide that will walk you through all the most critical pieces of the game.
