Blood Surge: A Vampiric Urban Fantasy Novel Dianna Hardy, 2025-08-28 A beautiful library in a historic sleepy town in Hampshire is the perfect place for Sophia to settle away from a fraught childhood and forgotten past So forgotten she hadn't thought about it in over two decades until an old unpleasant lover borrows a book and an innocent chat over coffee stirs long buried emotions And once those gates open they're not so easily shut the crazy keeps on coming in the form of a dead woman a ridiculously gorgeous and frustrating man who keeps turning up around every corner and a party at a stately home that's to die for Literally Sophia's forgotten history is going to have to be remembered in a race against time if she wants to save her own life Unfortunately Sophia's discovering her life isn't what she thought it was at all In fact her life might not even be hers but indebted to a twisted dark world made up of ancient vows and blood ties ones she can feel surging through her veins This is a passionate vampiric urban fantasy from British author Dianna Hardy set in a quaint English town in Hampshire **Progeny Unbound** Charles Law, 2011-03-07 In this fifth and final installment of the Hart

family dynasty chronicles Charles Law turns to mid nineteenth century Quebec Canada to capture the rise and fall of the next generation of the Hart family What is this third generation of Harts to make of their forbears pursuit of wealth The cousins the multiple grandchildren of Dolly and Aaron Hart were taught to revere their grandfather though none ever knew him while he was alive But they have little reason to emulate so illustrious a personage who after all was no more than a shopkeeper sutler fur trader and minor landowner before he died in 1800 Instead this generation clings to Harts legend of being a British army officer most become lawyers doctors or industrialists because of the money he accumulated and his sons Moses and Ezekiel aggrandized These fortunes require protection via the law and it was rather farsighted that several of the cousins learned the law In the year or two following the suppression of the Papineau led rebellion in Canada this learning is put to more political purposes and Aaron Philip Aaron Ezekiel and Adolphus Mordecai are all involved in the aftermath of that failed struggle In their hands the dynasty takes a different turn perhaps one far removed from their patriarchs enduring legacy

Iraqi Migrants in Syria Sophia Hoffmann, 2016-11-03. During the decade that preceded Syria's 2011 uprising and descent into violence, the country was in the midst of another crisis: the mass arrival of Iraqi migrants and a flood of humanitarian aid to handle the refugee emergency. International aid organizations, the media, and diplomats alike praised the Syrian government for keeping open borders and providing a safe haven for Iraqis fleeing the violence in Baghdad and Iraq's southern provinces. Only a few analysts looked beneath the surface to understand how the apparent generosity toward refugees squared with the ruthless oppression that characterized the Syrian government. In this volume, Hoffmann offers a richly detailed analysis of this contradiction, shedding light on Syria's domestic and international politics shortly before the outbreak of war. Drawing on firsthand observations and interviews, Hoffmann provides a nuanced portrait of the conditions of daily life for Iraqis living in Syria. She finds that Syria's illiberal government does not differentiate between citizen and foreigner, while the liberal politics of international aid organizations do. Based on detailed ethnographic research, *Iraqi Migrants in Syria* draws a highly original comparison between the Syrian government's and aid organizations' approaches to Iraqi migration, throwing into question many widely held assumptions about freedom and its absence in authoritarian contexts.
