Wiring of Your Marriage Jaco Mostert, Erika Mostert, 2014 *Marriage Strings: Tuning Your Relationship to Last a Lifetime* Jones and Beatrice Lukose, 2017-12-05 This book is written for couples using the metaphor of tuning a guitar instrument just before a major concert All strings that are out of tune are sorted out and existing kinks ironed out ready to unleash great music Marriage is the greatest force that can be experienced in life It is a gift to humankind from the creator At the beginning of a marriage each spouse has the right strings tuned towards love and happiness It is not long before these strings fade get worn out exposing flaws in the marriage You can re sharpen and polish your marriage strings to restore and access happiness in your relationship The Motivat Marriage Strings program is created to work on the inner and outer man The inner man is the unchanging self that gives the identity and emotional connection while the outer man is the physical body with all its senses and characteristics The program helps spouses relate at their core or inner being and not just with their physical dispositions When spouses connect at their core marriages flourish and are anchored on solid ground Sustaining a happy and fulfilled marriage is the greatest and rewarding activity in life A thriving marriage is the bedrock of society and the perfect incubator of life When spouses connect at their core their love conquers all But if they connect only physically not even all the wealth in the world will be enough This book is therefore aimed at helping you 1 Tune your marriage strings while preparing or starting your marriage 2 Re tune your marriage strings by taking your relationship to a deeper level of connection and intimacy and 3 Repair your marriage strings to move you from fighting to connecting
