CRM, 1997. **Latina and Latino Voices in Literature** Frances A. Day, 2003-05-30. This revised edition of an award-winning resource celebrates the lives and works of 35 Latina and Latino authors who write for today's young readers. Expanded to include 12 additional authors, updated information on the original 23 authors profiled, and 135 new titles, this comprehensive reference tool helps teachers, librarians, and parents stay current on one of the most dynamic areas of contemporary literature. Both established and emerging voices are profiled. Personal quotes and photographs introduce each biographical essay, presenting information gathered through interviews, personal communications, and research. A complete list of all books and works written by the author is included along with publication information. Annotations are provided for most of the titles along with information on major themes, awards won, and recommended age levels. Evaluating Books for Bias provides helpful guidelines for examining and selecting books from a pluralistic perspective. Appendices offer further helpful information about the field, including special awards honoring books by Latinas and Latinos, a calendar of holidays and special days celebrated by the Latino community, and listings of related resources and organizations. The author has also compiled ideas for classroom activities and ways for librarians to extend the literary experience. A title index and extensive

topic index including themes curricular areas and genres help in planning story sessions and study units This is a multipurpose resource for anyone who wants to help young readers connect with contemporary literature in a meaningful way The Misdirection of Education Policy Nancy DaFoe,2016-06-20 The Misdirection of Education Policy Raising Questions about School Reform proposes critically important questions about the wisdom of American public education policy and reform initiatives Laying out the particulars of three policy strands creation of STEM curricula schools expansion of charter schools privatizing and teacher accountability testing tied to job security The Misdirection of Education Policy exposes complications contradictions and deliberate deceptions in these supposed solutions to very real issues in education Dafoe theorizes that obstacles facing American education are far more complicated than policy makers suggest or consider The Misdirection of Education Policy poses the question of whether it is practical to offer an education that is not merely practical in its ends opening doors far beyond career readiness and filling employers job slots The approach suggested here is designed to offer an arterial that allows students and teachers to do more than simply prepare for STEM careers it advocates for an education that helps people navigate life by becoming explorers who remain curious and analytical about their world **International Studies in Philosophy** ,1974 *Success in School and Career* Andrea M.
