Tragic Failures Evina Sistakou, 2016-07-11 This is the first study considering the reception of Greek tragedy and the transformation of the tragic idea in Hellenistic poetry The focus is on third century Alexandria where the Ptolemies fostered tragedy as a theatrical form for public entertainment and as an official genre cultivated by the Pleiad whereas the scholars of the Museum were commissioned to edit and comment on the classical tragic texts More importantly the notion of the tragic was adapted to the literary trends of the era Released from the strict rules established by Aristotle about what makes a good tragedy the major poets of the Alexandrian avant garde struggled to transform the tragic idea and integrate it into non dramatic genres Tragic Failures traces the incorporation of the tragic idea in the poetry of Callimachus and Theocritus in Apollonius epic Argonautica in the iambic Alexandra in late Hellenistic poetry

and in Parthenius Erotika Pathemata It offers a fascinating insight into the new conception of the tragic dilemmas in the context of Alexandrian aesthetics Eerie Embraces from the Peculiar Purgatory Devil James,2022-07-22 Devil James is not a fan of money and is a spiritual writer who writes only for the art alone so in all reality he has no concern whatsoever if you read this book However if you are already a fan or self proclaimed proud member of the Devil James Cult or still find yourself genuinely interested in the weird unique style of Devil James then here is a vague foggy description of what you are about to get yourself in to Somewhere high above into the dreary dark midnight skies the slow rolling thunderclouds of doomy deception disguise the way out Some kind of sinister secretive eerie exit from these wicked worlds of wasted wonder The only jaded joke is that it appears the only way to find this escape from the ferocious fate of the brutal begging is to follow the misplaced steps of Devil James carefully and cautiously into the cynical creepy descent of doom A terrifying trek into the vindictive void Of course you could spare yourself the haunting horror of not reading this and perhaps save yourself the maniacal madness that could well convert you into a stark raving lunatic hopelessly as bat shit crazy as Devil James himself You have been warned It s not too late to skip this dreadful dark delusion while you can For the rest of you welcome to the eerie embraces of the peculiar purgatory We ve been waiting for you so so long We have all missed you so so much **In Search of the Sorcerer's Apprentice** Daniel Ogden,2007-12-31 In Search of the Sorcerer s Apprentice is the first book in English to be devoted to Lucian s Philopseudes or Lover of Lies c 170s AD It comprises an extensive discussion with full translation of this engaging and satirical Greek text with its ten tales of magic and ghosts One of these is the famous story of The Sorcerer s Apprentice and this conveys the flavour of the rest In other tales a plague of snakes is blasted with a miraculous scorching breath a woman is drawn to her admirer by an animated cupid doll and a haunted house is cleansed of its monstrous ghost The Philopseudes stands at the intersection of three of the liveliest fields in the study of antiquity magic traditional narratives and the Lucianic oeuvre itself Ogden s cross fertilising expertise in all three of these fields enables him to build sophisticated analyses for each of the tales and to place them sensitively in their historical cultural and literary contexts Among the themes of the work are Lucian s methods of adapting motifs from traditional narratives and the text s overlooked Cynic voice China White Ken Williams,2006 During the Vietnam War a CIA field agent becomes addicted to the adrenaline rush of combat Now thirty years later this need for the rush collides with his attempt to resurrect the old pipelines for China White from the Golden Triangle This interplay forces two men who were enemies during the war an ex Marine and an ex North Vietnamese soldier to work together when this highly potent form of heroin brings death and destruction to their community For Shane Wilson the ex Marine drug counselor the introduction of China White not only has devastating consequences for his clients but tears open old wounds and calls into question a nightmare from the war that he assumed until now was not based on reality China White highlights the emotional ties that bind the Vietnamese American community and Vietnam veterans and the lingering wounds and unspoken myths from that war TLA Video & DVD Guide
