Plague Vessel Mitchell Frogge, 2000-08-24 The Seventh Plague Vessel is a narrative which depicts the future history of the fall of Earth during the battle between God and Satan at Armageddon The narrator is a family man that loses his family and drops out of society Four years later he arrives at a plasma donation center in Omaha NE where he observes the lives of several of the workers and patrons there The stories completely change his point of view of life and destroy all sense of morality he has left Thus begins the fall of Earth It covers the seven years of Armageddon and his part in it with and against the powers of Satan The narrator unknowingly carries God's first witness through the tribulation The job of the first witness is to record the fall of Earth from the side of Satan The narrator witnesses the breaking of the seven seals the blowing of the seven trumpets and the spilling of six of the seven plague vessels As the years go by he becomes a general in the army of Satan conquering North America as he searches for the Seventh Plague Vessel Only at the end does he discover the fatal truth about the Seventh Plague Vessel **Master of the Sword** K. Hippolite, 2012 Rachel Goldenstein continues to lead her group home but perhaps Earth isn't as safe as she had thought It is a time for the newly appointed Lady Goldensword to command armies A time to forge new alliances and to make war against the children of magic There will be great loss for Rachel and perhaps a chance to learn the terrible truth behind her shadow magic By the light of the gates she saw her adversaries rise bearing magical swords and staves Rachel set down her candle stand and drew her swords Somewhere during the skirmish that followed a flying severed leg almost toppled her candle stand She put out a hand to steady it Some the less hardy of them fled at the sight of her Ever afterwards there would be a legend of a ghost in a torn white dress drenched in red blood with crimson hair and a devilish grin It was a world that could never be the same A world that a woman would boldly change Coaching With Empathy Brockbank, Anne, McGill, Ian, 2013-07-01 This ground breaking book will give you the skills you need to become an advanced coach For many years executive coaching assumed that feelings had no place at work or in the coaching relationship Fearful of getting into therapy coaches ignored emotions at the expense of focusing on solutions too soon Neuroscience is now showing us that emotion is the dominant part of the human brain and as coaches we can only ignore this at our peril Everything in coaching is about trust between coach and client and the only way to create trust is through skilled and sustained empathy Coaching with Empathy explains what empathy is why it matters so much in coaching and what can go wrong when it's missing Coaches who can use the skill of empathy in the moment have in their hands a powerful tool to nurture change in their clients Anne Brockbank and Ian McGill provide an easily followed guide about how to create empathy and sustain it with clients before asking them to think rationally about a solution This timely book also gives practical and sensible guidance on how to avoid getting out of your depth working within the boundaries of your skill and knowledge Family Herald , 1883 **Aphasia** Jane Marshall, 2024-06-25 This book provides a comprehensive yet accessible introduction to aphasia or loss of language a complex condition that affects approximately a third of stroke survivors It describes the varied manifestations of aphasia on speech comprehension reading and writing

The Messianic Aleph Tav Scriptures Modern-Hebrew Study Bible, 2014-05-20 The Messianic Aleph Tav Scriptures MATS is a study bible which focuses on the study of the Aleph Tav character symbol used throughout the old testament Tanakh by both Moses and the Prophets and is the most exhaustive and unique rendition of its kind in the world. Over 5 years in the making this English rendition reveals every place the Hebrew Aleph Tav symbol was used as a free standing character symbol believed to express the strength of the covenant in its original meaning. The Aleph Tav was believed also to be the mark of the divine hand for thousands of years by such famous rabbis as Nahum of Gimzo Akiva and R S Hirsch as well as the Apostle John. Also revealed in MATS is the use of the Aleph Tav as it is incorporated into the creation of hundreds of Hebrew words used thousands of times throughout the Tanakh and how the mark incorporates Y shua haMashiach Jesus the messiah as well as all mankind and creation which substantiates and expresses its divinity thus taking our understanding of the scriptures to a whole new level. MATS comes in your choice of either Paleo or Modern Hebrew editions in a trim size of the regular 6x9 or the large print edition 8 5x11.
