Tailor and Cutter, 1867 ***Ready-Made Democracy*** Michael Zakim, 2003 Ready Made Democracy explores the history of men's dress in America to consider how capitalism and democracy emerged at the center of American life during the century between the Revolution and the Civil War Michael Zakim demonstrates how clothing initially attained a significant place in the American political imagination on the eve of Independence At a time when household production was a popular expression of civic virtue homespun clothing was widely regarded as a reflection of America's most cherished republican values simplicity industriousness frugality and independence By the early nineteenth century homespun began to disappear from the American material landscape

Exhortations of industry and modesty however remained a common fixture of public life In fact they found expression in the form of the business suit Here Zakim traces the evolution of homespun clothing into its ostensible opposite the woolen coats vests and pantaloons that were ready made for sale and wear across the country In doing so he demonstrates how traditional notions of work and property actually helped give birth to the modern industrial order For Zakim the history of men s dress in America mirrored this transformation of the nation s social and material landscape profit seeking in newly expanded markets organizing a waged labor system in the city shopping at single prices and standardizing a business persona In illuminating the critical links between politics economics and fashion in antebellum America Ready Made Democracy will prove essential to anyone interested in the history of the United States and in the creation of modern culture in general

The Berg Companion to Fashion Valerie Steele,2015-08-01 An essential reference for students curators and scholars of fashion cultural studies and the expanding range of disciplines that see fashion as imbued with meaning far beyond the material Over 300 in depth entries covering designers articles of clothing key concepts and styles Edited and introduced by Valerie Steele a scholar who has revolutionized the study of fashion and who has been described by The Washington Post as one of fashion s brainiest women Derided by some as frivolous even dangerous and celebrated by others as art fashion is anything but a neutral topic Behind the hype and the glamour is an industry that affects all cultures of the world A potent force in the global economy fashion is also highly influential in everyday lives even amongst those who may feel impervious This handy volume is a one stop reference for anyone interested in fashion its meaning history and theory From Avedon to Codpiece Dandyism to the G String Japanese Fashion to Subcultures Trickle down to Zoot Suit The Berg Companion to Fashion provides a comprehensive overview of this most fascinating of topics and will serve as the benchmark guide to the subject for many years to come

Dressing Global Bodies Beverly Lemire,Giorgio Riello,2019-11-19 Dressing Global Bodies addresses the complex politics of dress and fashion from a global perspective spanning four centuries tying the early global to more contemporary times to reveal clothing practice as a key cultural phenomenon and mechanism of defining one s identity This collection of essays explores how garments reflect the hierarchies of value collective and personal inclinations religious norms and conversions Apparel is now recognized for its seminal role in global colonial and post colonial engagements and for its role in personal and collective expression Patterns of exchange and commerce are discussed by contributing authors to analyse powerful and diverse colonial and postcolonial practices This volume rejects assumptions surrounding a purportedly all powerful Western metropolitan fashion system and instead aims to emphasize how diverse populations seized agency through the fashioning of dress Dressing Global Bodies contributes to a growing scholarship considering gender and race place and politics through the close critical analysis of dress and fashion it is an indispensable volume for students of history and especially those interested in fashion textiles material culture and the body across a wide time frame

Tailoring Guide On Cutting And Sewing: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Tailoring Guide On Cutting And Sewing : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Tailoring Guide On Cutting And Sewing : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Popen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
