The Cooking Class Cookbook Linda Marcinko, 2011-02-09 This wonderful cookbook is the result of the 10 years of cooking classes that I taught plus my vast knowledge of the culinary arts that I acquired through working as an Executive Chef All of the recipes are easy to use and result in great food I tell you a little history of each recipe and what type of class it was created for I taught a variety of classes including baking and pastry classes and many of those recipes are in this book At the end of many of the recipes I've included notes that may give the reader information on certain ingredients or tell them how to prepare part or all of the recipe in advance This book also has a Tip and Advice section that touches on some important aspects of cooking I tested all of the recipes in this book before conducting the classes that they were featured in In addition many class participants went home and made the recipes and reported how the food turned out so I know that these recipes are great and really work This is so important as it seems that there are a lot of cookbooks out there where the recipes are not tested before hand To this day I use these recipes at home because the resulting dishes are so tasty This is a book that can be used for everyday food and also for special occasion dishes It has quite a few healthy recipes too As I am a chef and a registered dietitian I was called on to teach a lot of classes featuring healthy foods so I have included those recipes as well I have made the recipes simple and have not used any hard to find ingredients I really want people to enjoy reading this book and using it a lot

Mom Com Adriana Mather, 2023-11-14 Clever hilarious and most importantly a whole lot of fun This is a perfect holiday love story Emily Henry 1 New York Times bestselling author From the 1 New York Times bestselling author Adriana Mather comes a heartwarming tale of love family and pastry perfection Maddi DeLuca is coming home for the holidays with her nine year old son only it's not the triumphant return she might have hoped for She recently broke down on a reality TV baking show letting the entire country know she feels like a colossal failure and she can be certain her mother will remind her of all the ways she hasn't lived up to expectations over the years Ten years ago all Maddi dreamed of was running her father's beloved bakery in their tiny coastal town of Haverberry Cove Massachusetts Her best friend Wilder Buenaventura had his own dream a life with Maddi And for one brilliant moment when they were seventeen those dreams collided They baked together They loved each other insatiably

But like a fallen soufflé their relationship imploded taking their lifelong friendship with it. If she had her way Maddi would have stayed in California hiding her head in its beautiful white sands. But at her mother's request she has returned to her hometown to help deal with an urgent matter concerning her father's will and his nostalgia filled bakery. What Maddi doesn't know is that this issue also mysteriously involves the one person she's spent forever trying to forget Wilder. Now she finds herself forced to make an impossible decision: give up her father's bakery and her lifelong dream or find a way to coexist with Wilder without murdering him with a cookie cutter.
