Jesus Was a Country Boy
Clay Walker, 2013-04-02 Popular country music superstar Clay Walker talks about Jesus and the simple grassroots faith that He inspired Clay Walker's hit single Jesus Was a Country Boy resonated with people fed up with slick preachers driving luxury cars and church sanctuaries as big as football fields That's not what Jesus was all about Like the country boy next door Jesus modeled a grassroots faith He was born in a barn and fished for his dinner He hung out with lowlifes and sinners He came not for the rich and powerful but for the good old boys and country gals Drawing from his own humble beginnings Clay explores the ways Jesus spoke to good old fashioned country folk Jesus knew where he came from and he knew where he was going He knew how to treat people but he wasn't afraid of a fight He knew how to have a good time and he loved to surprise people And like any good country boy he knew about heartbreak Ultimately Jesus came to love and show that knowing His father is as free and easy as a summer breeze on a front porch swing If you want to find God then it's time to lose religion and meet a country boy from Bethlehem

The bestselling author of *Earthway* shows readers how to love and care for themselves as they learn to appreciate the beauty in nature. Mary Summer Rain has interwoven her observations as a naturalist with spiritual philosophy to share with the world the lessons of nature's beauty and power. *The Puzzle King* Betsy Carter, 2010-11-02

This compelling novel of three sisters and the immigrant who invented the jigsaw puzzle captures the squalor and bustle of early 20th-century New York. The Miami Herald Lively beautiful Flora was sent to America from Germany by her family to find a better life. Brooding studious Simon came from Lithuania with the same goal. An improbable match, they meet in New York City and fall in love. Simon, inventor of the first mass-market jigsaw puzzle, eventually makes his fortune. But now that they have achieved wealth, Flora and Simon become obsessed with rescuing those they left behind in Europe. Inspired by the author's own family lore and interweaving the stories of Flora's two sisters, one the mistress of a wealthy WASP and the other struggling back in the old country, this is a work of genealogical fiction from the late 19th century to the eve of World War II. It balances the Jewish immigrant experience in New York, both the achievement of the American dream and the curdling of it against the insidious anti-Semitism of Germany and Eastern Europe. Los Angeles Times Everybody loves an inspiring rags-to-riches story, and *The Puzzle King* delivers that in spades. San Francisco Book Review *Gunn's Golden Rules* Tim Gunn, Ada Calhoun, 2010-09-07

The author draws on examples from his own life, backstage experiences on *Project Runway*, and anecdotes from the fashion world to explain how hard work, creativity, and integrity can help lay the groundwork for success and happiness. **Mr. Lemoncello and the Titanium Ticket** Chris Grabenstein, 2021-05-11
