Pre-Intermediate Self-study Workbook Adrian Doff, Christopher Jones, 2000-06-15 Presents a four level course each
comprising about 80 hours of class work with time for self study work The Teacher's Book contains the pages from the
Classroom Book with teaching notes including optional activities for different abilities This title also has a video to
accompany the beginner pre intermediate and intermediate levels *EIL, ELF, Global English* Cesare Gagliardi, Alan
Maley, 2010 How can you teach the English language to global English speakers Can English be taught as an international
language Is it worth teaching Isn't it more proper and profitable to learn a standard variety of English How realistic and
useful is the identification of an EIL ELF variety Can an EIL ELF standard be identified These are some of the questions the
present volume has addressed with the contribution of some of the most qualified scholars in the field of English linguistics
The book is divided into four sections The first part deals with the definition of English as an international language and
English as a lingua franca Section two takes six different teaching issues into consideration The third section examines some
learning issues and the last part of the volume debates the relationship between teacher and student in an English as a
lingua franca environment *Straightforward*, 2019 **Evaluating Second Language Vocabulary and Grammar**

Instruction Frank Boers,2021-03-14 Providing a much needed critical synthesis of research on teaching vocabulary and grammar to students of a second or foreign language this book puts the research into perspective in order to distil recommendations for language teaching Boers evaluates a comprehensive range of both well established and lesser known research strands and classroom practices to draw out the most effective instructional approaches to teaching words multiword expressions and grammar patterns Chapters discuss learning as a by product of communicative activities language focused instruction diverse types of exercises mnemonic techniques and more with a view to building bridges between the available research on such instructional approaches and how they are commonly implemented in actual language courses and textbooks This book helps teachers make research informed decisions regarding their instructional approaches to words phrases and patterns and direct researchers to specific areas in need of further inquiry Boers not only demonstrates how research findings can inform effective teaching but also calls for a deeper appreciation on the part of researchers of the realities of the teaching profession making this a worthwhile text for preservice teachers teacher educators graduate students and scholars
