A Concise Guide to Technical Communication Heather Graves, Roger Graves, 2020-11-06 This compact but complete guide shows that less is more with fewer extraneous details getting in the way of students trying to learn on the run it allows them to focus on the most important principles of effective technical communication The Concise Guide takes a rhetorical approach to technical communication instead of setting up a list of rules that should be applied uniformly to all

writing situations it introduces students to the bigger picture of how the words they write can affect the people intended to read them Assignments and exercises are integrated throughout to reinforce and test knowledge **Franklin Covey Style Guide for Business and Technical Communication** Lawrence H. Freeman,1999 Much more than a grammar and punctuation handbook this renowned guide helps users produce documents that reflect quality writing standards It offers access to more than 110 topics The CD ROM contains more than 30 model documents including letters memos and resumes
