Myriad factors that you can't do anything about pose a big threat to your business. But you can control what you do control. For example, you can't control government policy, but you can control how you respond to government actions. You can't control the economy, but you can control how you manage your business in a recession. You can't control the weather, but you can control how you manage your business in a drought.

Key message: Do not keep your eye on your current job. It is always possible you will get a better one before the current one expires, so you can continue to grow and learn.
