Streaming Tv Guide:

TV Guide, 2007 *The Streaming Media Guide* Michael D'Oliveiro, 2019-06-03 Streaming media has irreversibly revolutionised the ways in which media is transmitted and consumed Most of us engage with streaming media on a daily basis via platforms that deliver our entertainment Spotify YouTube and Netflix are new brands which many of us engage with daily for our information and entertainment It has created upheaval in the entire value chain and wiped out industries slow to adapt to it like the video store rental chain And it continues to evolve Streaming media is transforming business communications in myriad ways and it is becoming almost as crucial for project managers and marketers to understand streaming technology as it is for media professionals The Streaming Media Guide demystifies the technology and features behind a successful streaming media service especially in the context of how it is used by broadcasters and other media organisations Common terms and systems being used in this space are presented and defined simply and clearly for non technical readers Best practice examples from Michael D Oliveiro s experiences demonstrate how this technology can be successfully implemented This book equips any media professional with the most basic of traditional media knowledge to enable confident conversations in the typical media organisation they work in For technology based graduates or dedicated broadcast professional seeking to refresh their understanding this book provides enough information to form a solid foundation for day to day work Finally for leaders in cross functional senior management matrices information is provided to enable you to understand and exploit streaming media capabilities as a business This will be the ultimate reference source guaranteed to be bedside reading for anyone serious about using streaming media **Netflix and Streaming Video**

Amanda D. Lotz, 2022-07-22 Netflix and Streaming Video is the first book to provide a comprehensive foundation for understanding the business of subscriber funded streaming video and its implications for the role of these services in culture Drawing on Lotz s two decades of research it highlights the similarities and differences among streaming video services Netflix Amazon and video distribution technologies broadcast satellite internet Making a number of provocative and thought provoking arguments the book first reveals how the reliance on subscriber payment and video on demand produces different norms and strategies compared to previous video businesses It then investigates Netflix and how its particular blend of characteristics distinguishes it from other subscriber funded video on demand services The author expertly shows that by understanding the underlying economic and technological dynamics of these services and their differences it is possible to better assess the actions taken by the companies and what the future of video may encompass The book is a must read for students and scholars of Media and Communications Studies as well as those wishing to learn more about Netflix and streaming video services **Remote Control for TV PRO: The Ultimate Guide to Enhancing Your TV Viewing Experience**
