

The Three Little Pigs

Read the story and answer the questions on the next page.

Once upon a time, there were three little pigs who set out to seek their fortunes. Before they left home, their mother warned them to build strong houses to protect themselves from the big bad wolf.

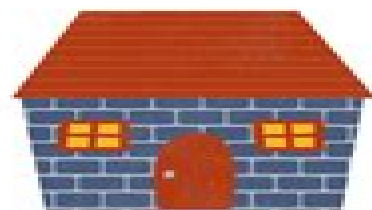

The first little pig built his house out of straw because it was the easiest thing to do. The second little pig built his house out of sticks. It was a bit stronger than the straw house, but still not very sturdy. The third little pig worked hard and built his house out of bricks.

One day, the big bad wolf came along. He knocked on the door of the straw house and said, *"Little pig, little pig, let me come in."* The first little pig answered, *"Not by the hair on my chinny chin chin!"* So the wolf huffed and puffed and blew the house down! The first little pig ran to the second pig's house made of sticks.

The wolf followed and knocked on the stick house's door. *"Little pig, little pig, let me come in,"* he said. The second little pig replied, *"Not by the hair on my chinny chin chin!"* So the wolf huffed and puffed and blew the stick house down! The two pigs ran to the third pig's brick house.

The wolf followed them and knocked on the brick house's door. *"Little pig, little pig, let me come in,"* he said. The third little pig answered, *"Not by the hair on my chinny chin chin!"* So the wolf huffed and puffed, but he couldn't blow the brick house down. He tried and tried, but the house was too strong.

Finally, the wolf gave up and went away. The three little pigs lived happily ever after in their strong brick house.

third pig had been smart and knew what had been critical which had been developing a safe home for himself Throughout the end of the story you are able to conclude that he made the right choice Joseph Jacobs had made the story much more child friendly simply by changing the original variation written which ended with the big bad wolf being boiled in a pot and consumed by the 3 little pigs Whenever the story was changed it made it much more versatile to a more youthful audience The storyline of The Three Little Pigs has been read all over the world and till today is among the most popular children fairy tale book ever created The idea that taking the time to carry out a task the proper way has been used by numerous work organizations and preached by parents and teachers of children for numerous decades Just like the pig whose house didn't collapse you must have a safe and secure base to build upon Knowing your own foundation is actually secure may assist you to feel safe Additionally you have to be prepared for growth and change when building your future end up being smart and take your time to develop it up properly Last but not least everybody must accept the pig that took the time as well as work to build a brick house was safe and the pigs that had been lazy as well as took short cuts just like wood and straw houses weren't safe Therefore individuals who work hard work smart spend less think ahead help the weak individuals and may come out on top in the long run Hard work building a solid foundation in character along with security will keep the troubles at bay
