Strategic marketing problems. Cases and Comments Roger A. Kerin, 1984 *Global Perspectives on Contemporary Marketing Education* Smith, Brent, Porath, Amiram, 2016-03-17 A successful marketing department has the power to make or break a business. Today, marketing professionals are expected to have expertise in a myriad of skills and knowledge of how to remain competitive in the global market. As companies compete for international standing, the value of marketing professionals with well-rounded experience, exposure, and education has skyrocketed. *Global Perspectives on Contemporary Marketing Education* addresses this need by considering the development and education of marketing professionals in an age of shifting markets and heightened consumer engagement. A compendium of innovations, insights, and ideas from marketing professors and professionals, this title explores the need for students to be prepared to enter the sophisticated global marketplace. This book will be invaluable to marketing or business students and educators, business professionals, and business school administrators.

Market-Driven Management Jean-Jacques Lambin, Isabelle Schuiling, 2012-07-19 Market-Driven Management adopts a broad approach to marketing, integrating the strategic and

operational elements of the discipline Lambin's unique approach reflects how marketing operates empirically as both a business philosophy and an action oriented process Motivated by the increased complexity of markets globalisation deregulation and the development of e commerce the author challenges the traditional concept of the 4Ps and the functional roles of marketing departments focusing instead on the concept of market orientation The book considers all of the key market stakeholders arguing that developing market relations and enhancing customer value is the responsibility of every member of the organization and that the development of this customer value is the only way for a firm to achieve profit and growth New to this edition Greater coverage of ethical issues and corporate social responsibility cultural diversity value and branding and the economic downturn Broad international perspective Thoroughly revised to reflect the latest academic thinking and research With its unique approach international cases and complementary online resources this book is ideal for postgraduate and upper level undergraduate students of marketing and for MBAs and Executive MBAs *Strategic*
