

STRIPES

The background image shows a contemporary living room. A white, low-profile sofa is positioned against a wall with horizontal stripes. In front of the sofa is a large, light-colored rug with a bold, dark blue and white striped pattern. The overall aesthetic is clean and modern, emphasizing geometric patterns and color contrast.

Stripes Design Between The Lines:

Stripes Linda O'Keeffe, 2013 The simplest and most ancient of all decorative markings stripes continue to fascinate Natural inspirations in the forms of zebra stripes rippled sand dunes and intricately gnarled wood grain have led us to use stripes in every permutation on human bodies from elaborate woven textiles to the iconic Breton T shirt to sharp pin striped suits in art from the earliest cave paintings to vibrant op art canvases and in industrial design from World War II era dazzle battleships to the ubiquitous bar code Their appeal endures With over 250 full colour images *Stripes Design Between the Lines* provides a wholly original look at one of the most recognizable patterns of all time The illustrations create a rollicking visual ride while the accompanying text by turns witty and weighty shows how these potent sometimes charged symbols have even changed the course of world history

Stripes, Grids and Checks Michael Hann, 2015-10-22 *Stripes Grids and Checks* considers the nature of lines and assemblies of lines including stripes and grids as well as related phenomena such as checks tilings and patterns regular and irregular repeating and non repeating A wide range of examples are drawn from urban and rural environments at the macro and micro levels in land and cityscapes buildings and other designed constructions compositions and objects Considered conventionally checks periodic tilings and regular patterns owe their compositional arrangements to an order imposed by an underlying grid structure The intention in this book is to analyse explain and illustrate the nature of each design type to identify the structural or geometric similarities between each and to show how the manipulation of various underlying grid structures can provide innovative compositional frameworks for artists and designers The discussion is richly illustrated with 400 black and white images and an eight page colour section

Stripes Linda O'Keeffe, 2012-10-23 In *Stripes Design Between the Lines* writer and design expert Linda O'Keeffe explores the lineage of lines as they shape culture art and style The illustrations create a rollicking visual ride while the accompanying text by turns witty and weighty shows how these potent sometimes charged symbols have even changed the course of world history The simplest and most ancient of all decorative markings stripes perpetually fascinate Natural inspirations in the forms of zebra stripes rippled sand dunes and intricately gnarled wood grain have led us to use stripes in every permutation on human bodies from elaborate woven textiles to the iconic Breton T shirt to sharp pin striped suits in art from the earliest cave paintings to vibrant op art canvases and in industrial design from World War II era dazzle battleships to the ubiquitous bar code Their appeal endures With over 250 full color images *Stripes Design Between the Lines* provides a wholly original look at one of the most recognizable patterns of all time Eight thematic chapters present stripes in every conceivable manifestation from diabolical to decorative historic to postmodern The result is a wonderfully varied visual collage that shows how design savvy people throughout the ages and recent design stars including Jonathan Adler Geoffrey Beene Jamie Drake Jean Paul Gaultier Josef Hoffman Sol LeWitt Todd Oldham Alberto Pinto Gi Ponti Karim Rashid David Rockwell Carolyne Roehm Paul Smith and Vivienne Westwood have incorporated stripes into their work and daily lives [Polynesian](#)

Decorative Designs Ruth H. Greiner,1923 **Art & Design Education in Times of Change** Ruth Mateus-Berr,Luise Reitstätter,2017-05-08 It has always been the case that the teaching of art has had to deal with social changes We are currently facing historic challenges and phenomena which we could never have imagined the global financial crisis the massive migration flows and the ubiquitous spread of new technologies in our everyday life Creative competence is needed for overcoming the disciplinary boundaries and in order to make equal opportunities for education possible in a diverse society This publication takes a critical look at the role of art and design education amidst these social changes using theoretical reflection practical experience and empirical analysis **The Grammar of Pattern** Michael Hann,2019-04-02 The Grammar of Pattern describes characteristics of textile and other surface patterns and identifies illustrates and reviews a wide range of pattern types including spotted striped checked tessellating and other types of all over patterns with original drawings and images This book includes original black and white line drawings and color images The modular nature of patterns is explored and attention is focused on the vast diversity of pattern types which can emerge from a small inventory of components The book features material that is easily accessible with obvious mathematical content kept to a minimum and offers fresh perspectives on the nature of tessellating and other all over patterns This book serves as an effective practical guide for both students and professionals Select sample exercises and student assignments are included making this an ideal course text for teachers engaged across the full range of design education *Patterns* M.A Hann,I.S. Moxon,2018-10-10 In *Patterns Design and Composition* M A Hann and I S Moxon present guidelines for the original design and composition of regular patterns alongside an understanding of the inherent structures of these patterns Starting with the compositional elements Hann and Moxon take the reader through patterns in the environment early forms of patterns and aspects of classification based on circles squares triangles and symmetry With 250 images sourced from past examples as well as student work this essential read for design students and researchers demonstrates how simplicity begets complexity in the design and composition of regular patterns *Principles and Practice of Elementary Drawing* Mabel Browning Soper,1915
