

A Behavior Reflection on "Making Good Decisions"

Copy the following paragraph onto the first part of the reflection sheet.

My behavior in class is not appropriate for an 8th Grader and is disruptive to my classmates' learning. My behavior is a choice that I make. I am responsible for all of my actions. When I behave this way, I make it difficult for other students and myself to learn. School is very important to my success and the success of others. I know that my teacher works hard to prepare lessons that will help all of her students to be successful. I don't have the right to take this opportunity away from other students with disrespectful and disruptive classroom behavior. From now on, I will do everything I can to create a classroom environment that is conducive to learning. I understand that I will continue to leave the classroom and copy this paragraph again if I do not make good decisions. I will strive to always make good choices that will benefit me and all of the students in my class. I know my teacher believes in me and I will not disappoint her by making these bad decisions again.
