The International The Best About The Troubles Ever Written:

The International Glenn Patterson, 2011-02-08 Acclaimed Belfast novelist Glenn Patterson's classic novel of a day in the life in that city a funny brilliantly observed bittersweet snapshot of a moment in 1967 just before everything changed If I had known history was to be written that Sunday in the International Hotel I might have made an effort to get out of bed before teatime So begins *The International* Danny Hamilton takes us back over three troubled decades to one wonderfully ordinary Saturday in January 1967 when his 18 year old self had no idea most people had no idea that ordinary days in Belfast would soon become tragically rare Ordinary but packed with extraordinarily observed characters and extraordinary enough for Danny to fall in love twice and think about sex a few more times than that Ordinary but when someone calls out Be careful in parting no one takes it lightly and for good reason First published in the UK in 1999 and reissued by Blackstaff in 2008 *The International* is a timeless novel funny bawdy deftly crafted and heartwrenchingly humane Featuring an essay On Reading *The International* by Man Booker Prize winner Anne Enright

Backstop Land Glenn Patterson, 2019-10-31 Funny wise entertaining and illuminating this book is one of the best things to come out of the Brexit saga FINTAN O TOOLE Read this absorbing book to understand why since 2016 we have been playing with fire There is no longer any excuse for ignorance MISHA GLENNY Northern Ireland's frontier with the South has been an invisible line since the peace agreement of 1998 Now the battle over the UK's decision to leave the EU risks turning it into a hard border Yet few people in the rest of Britain or Ireland know anything much about this most volatile part of an increasingly disunited Kingdom This book was written in the feverish summer of 2019 in the aftermath of the New IRA's murder of Lyra McKee with the fear and anxiety of Brexit looming over a region in which paramilitary forces are still carrying out beatings and worse even as the numbers of tourists drawn by the Titanic and Game of Thrones continue to grow The power sharing government created by the Good Friday Agreement has not met a bleak record in a long running farce in over 1 000 days If it wasn't for the wonderful weather you might wonder why anyone stayed there at all Glenn Patterson brings a lifetime's engagement with Northern Ireland and a brilliant novelist's eye to an informative darkly entertaining portrait of a fragile country Welcome to Backstop Land
