The Itchy Little Musk Ox

L Manion

The Itchy Little Musk Ox:

The Itchy Little Musk Ox Tricia Brown, 2015-08-01 The patience of a little musk ox is sorely tried when he suffers an itch that he can't scratch. There's not a tree in sight, nothing to rub against for relief, so he wanders away from the herd looking for a branch, a rock, a pile of anything. On his journey he meets with three individuals: a buffalo, a wolf, and a Native woman. Through his interaction with each one he learns something new and affirming about himself before returning to the herd. Endnotes include information about how musk oxen were native to Alaska until they were decimated by hunters in 1865, then reintroduced in the early 1930s; biological and behavioral details about the animals; and info about the cottage industry among Native villages in which women knit the qiviut. KIV ee oot the rare underwool into beautiful warm garments. Learn more. Two-page section provides facts and information about the animal and about qiviut, the softest wool in the world, which comes from musk ox.

Itchy Little Musk Ox Tricia Brown, 2006-05-01 Although his mother urges patience, a young musk ox who cannot wait for his skin to stop itching wanders away from the herd to find anything with which he can scratch and meets three other creatures who teach him about his strengths.

Children of the First People, 2019-04-09 Celebrating the 20th anniversary of Alaskan favorite *Children of the Midnight Sun*, the same author and photographer join again to collaborate on this new book. *Children of the First People* to present the voices of a new generation of young Alaska Natives and how they celebrate their unique cultures and traditions. From the Southeast rainforest to the Yukon-Kuskokwim Delta tundra to the reaches of the far north, Alaska Native kids live a life that mixes ancient traditions with modern culture. Inside this book you'll find ten profiles accompanied by beautiful color photographs of kids of various ages and from diverse cultures and backgrounds, as well as a map and a glossary of Native terms. No other book for children delves into all ten Native cultures with expert authority, making *Children of the First People* a one-of-a-kind treasure.

The Alaska Almanac Nancy Gates, 2012-02-29 Alaska's favorite factbook has answers to all your questions about geography, economy, climate, sports, cultures, and people of the 49th State. This new edition contains hundreds of entries, photos, charts, timelines, schedules, event calendars, maps, annual highlights, Index, and much more. Back by popular demand, humorous factoids are sprinkled throughout this edition from Alaska's favorite comedian Mr. Whitekey, the King of Quirky, the Wizard of Wacky, and lover of all things trivial about the last frontier.

The World-famous Alaska Highway Tricia Brown, 2008 Calling something World Famous doesn't make it world famous, but the Alaska Highway actually is known around the world. Mention the name or its familiar nickname, The Alcan, and somebody in the crowd has driven it or has always wanted to do the highway. And why not? This amazing road through the northern reaches of Canada and into Alaska has cast a spell on the motoring public for more than sixty years ever since it was hurriedly built in 1942. After World War II, with the opening of the road to civilians, Alaska was finally a drive to destination, and the stream of tourists hasn't stopped. The Alaska Highway spans the northern reaches of Canada into Alaska. This illustrated guide highlights this amazing stretch of road that has cast a spell on the motoring public.
