The Journal Of Inductive Biblical Studies 2014 Vol 1 Volume 1:

The Form and Function of Mark 1:1-15 Bradley T. Johnson, 2017-10-30 Identifying the scenes of written texts is a critical skill for following the course set by an author Even a small variation in course heading can result in compounding an error over time with regard to one's intended destination Perhaps nowhere is this more important than in the opening unit of Mark's Gospel In this book Brad Johnson sets out to follow the course prescribed by the author of the second Gospel Making use of the principles of Inductive Bible Study rhetorical criticism and a study of ancient prologues Johnson makes a twofold case that Mark's opening unit the first fifteen verses demonstrates a formal integrity and performs a rhetorical function As such the Markan prologue situates the public life and ministry of Jesus within the broader context of an epic drama A failure to acknowledge the unique contribution of Mark as author in this regard will likely result in a destination the author never intended

Other Voices in Old Testament Interpretation W. Creighton Marlowe, 2019-09-17 The main goal of this book is to provide a collection of essays formerly only available separately in various academic journals that offer untraditional and original exegetical insights into or solutions to popular or problematic Old Testament texts and topics It illustrates the science and art of exegesis by an author within a broad evangelical context and demonstrates the interpretive value of reading biblical texts without prejudice to tradition and with careful attention to their historical and cultural contexts

Dimensiunea extatica a actului profetic in Vechiul Testament Bogdan-Vasile Marcasan, Cartea contine repere critice pentru interpretarea viselor viziunilor si manifestarilor extatice biblice Preocuparea diferentierii viselor adevarate de cele false e o constanta a tuturor generatiilor Studiul evidentiaza visul biblic ca mijloc revelational care transmite voia lui Dumnezeu Interpretarea conexiunii dintre vis si profetie in termenii cercetarilor contemporane propune o nota de originalitate lucrarii Dincolo de continutul propriu zis al visului interpretarea acestuia ii confera relevanta peste veacuri Prin apelul studiului la antropologia culturala si teologia biblica cititorul are posibilitatea sa descrie in termenii culturali actuali manifestarile onirice ale popoarelor antice In felul acesta Intalnirea culturilor il fereste pe cititor de anacronism

Drunk in the Spirit Merrill G. Greene, 2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one's own cherished stories

Judges 13-21 Jack M. Sasson, 2025-08-27 The second volume of Jack M Sasson's authoritative commentary on the book of Judges The second half of Judges is set when there was no king in Israel anyone could do whatever felt right It narrates the tale of Samson the would

be liberator of Israel who comes to a violent end the conquest of the land of Laish and a vicious rape that when followed by a shocking dismemberment ignites a war among the tribes In the second installment of his authoritative two volume commentary Jack M Sasson invites his readers to ponder the many levels of meaning in the Hebrew text through a careful survey of its contents evolution and reception By situating the text alongside its earliest translations into Greek Aramaic and Latin Sasson offers compelling observations on the characters action pacing and style of the narrative focusing on the characterization of Samson as a resourceful avenger of Philistine cruelties and as an instrument of God intended to humiliate false divinities Sasson draws widely on comparative literature from Egypt Greece and Mesopotamia to enrich our understanding of how biblical writers adapted older regional sagas and he derives insights from Hellenistic and rabbinic sources to re create how Judges was understood by its earliest readers Comprehensive and engagingly written Judges 13 21 is an invitation to readers to rediscover these ancient stories and in so doing gain a greater appreciation for the art of Hebrew storytelling

Discovering Luke Joel B. Green, 2021-09-16 This interpretation of Luke encourages in depth study of the text and genuine grappling with the theological and sociohistorical questions it raises It draws on a range of methodological interests author text and reader centered as complementary rather than mutually exclusive ways of understanding the text It also recognizes the importance of the reception history of biblical texts increasingly viewed as a vital aspect of interpretation rather than an optional extra Throughout Discovering Luke Joel Green gives readers strategies for reading the Gospel of Luke and guides them through Luke s world in its historical ideological political and economic contexts Green reviews key issues raised by the Gospel and connects these issues to questions of how Luke should be interpreted today

A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place

Gaps and the Creation of Ideas Judith Seligson, 2021-03-08 Gaps and the Creation of Ideas An Artist s Book is a portrait of the space between things whether they be neurons quotations comic book frames or fragments in a collage This twenty year project is an artist s book that juxtaposes quotations and images from hundreds of artists and writers with the author s own thoughts Using Adobe InDesign for composition and layout the author has structured the book to show analogies among disparate texts and images There have always been gaps but a focus on the space between things is virtually synonymous with modernity Often characterized as a break modernity is a story of gaps Around 1900 many independent strands of gap thought and experience interacted and interwove more intricately Atoms textiles theories women Jews collage poetry patchwork and music figure prominently in these strands The gap is a ubiquitous phenomenon that crosses the boundaries of neuroscience rabbinic thinking modern literary criticism art popular culture and the structure of matter This book explores many subjects but it is ultimately a work of art

The Concept of Divine Sovereignty in Micah Colin Semwayo, 2019-12-14 We live in a world gone awry Social injustice pervades our societies the poor are disdained despotic leaders and nations seem to control world events and racism and hatred abound Yet while it might appear that evil reigns the sovereign God is in control Such is the message of the book of Micah a text that underscores God s presence in the world righting wrongs delivering the marginalized and restoring the intended order of creation In this careful explication of the minor prophet Dr Semwayo challenges those who would question the text s unity revealing Micah as a powerful theological reflection on the reestablishment of Yahweh s sovereignty on earth Connecting the Zion Davidic traditions to the Abrahamic covenant Semwayo articulates a vision of hope that is as relevant for us in the twenty first century as it was for Micah s original audience

By the River Chebar Daniel I Block, 2014-03-27 To many readers the book of Ezekiel is a hopeless riddle We may still find many features of the man and his message difficult and sometimes even shocking or offensive The bizarre opening vision catches us off guard and tempts us to stop reading A persistent reader however who meditates long and hard on

individual utterances and sign actions will discover that despite the strangeness of the man this is the most clearly organized of the major prophetic books Individual prophecies are clearly marked by headings and often by conclusions The priestly prophet knew his audience something that is evident if one continues to delve deeper he recognized in Judah s rebellion against YHWH the underlying cause of the divine fury that resulted in the exile of his people and the fall of Jerusalem to the Babylonians in 586 BCE However he also recognized that YHWH s judgment could not be the last word his covenant is eternal and irrevocable A day of spiritual renewal and national restoration is anticipated This is the first of two volumes of essays on Ezekiel and his book The seven general essays and two studies of particular texts in this collection explore the times the message and the methods of the prophetic priest Books in Print Supplement ,2002 **God's Love Alive in You** Kay Arthur,David Lawson,2005-04-01 Kay Arthur s life changing New Inductive Study Series more than 880 000 sold brings readers face to face with the truth of God s precepts promises and purposes in just minutes a day The letters of James and John and Paul s letter to Philemon are among the most practical writings in the New Testament Beloved Bible teacher Kay Arthur helps readers employ the tried and true methods of inductive Bible study to discover God s design for successful relationships including everyday friendships in the church business dealings between employers and employees interactions between the rich and the poor Both individuals and groups will enjoy unearthing treasures of biblical wisdom on many other contemporary issues as well **Interdisciplinary Journal on Biblical Authority Volume 1 : Fall 2020 : Number 2** Thomas Ice,Michel Dodds,Douglas Smith,Gary Gromacki,Adrian Isaacs,2020-12-15 A Theological Journal featuring articles across a wide spectrum of disciplines and all written from the Biblical worldview Book reviews of significant new works are also included **The Probe Journal** Gary Collier,2015-08-12 This PROBE Journal along with it s main volume Unrelenting Faith Vol 1 What Really Matters creates a new kind of commentary a conversational commentary written as if Paul were having coffee with you and talking about his own letter of 1Thessalonians not in a typical verse by verse manner but conceptually The approach encourages a deliberately imaginative yet faithful contextual and responsible interpretation and elaboration of the canonical writings attributed to Paul using carefully considered approaches and always in conversation with available scholarship This series grew out of the author s own frustration as a Bible reader and Bible teacher with the sheer number of Christians who merely want to skim the surface Like a rock skipping across the water that s how a lot of people read the Bible touching down only here and there and then sputtering to a stop Devotional approaches and far too much preaching encourage this haphazard use of the Bible This book pursues a different path How different Once you get past these introductory pages once you arrive at the Conversations every page is written as if by Paul himself as if he is sitting across from you in a personal conversation This series was developed over several years in numerous live groups Volumes include Vol 1 What Really Matters Vol 2 Rising above Struggle Walking in Hope Each volume also has a PROBE Journal and there is a Primer for Group Leaders For a complete description and video see the following link <http>
