We all love stories whether printed, passed down orally from generation to generation, or made into films. We love stories whether they are fictional, true, mythical, or legendary. Stories are part of our human history and they help us understand being human. But there is one story that underpins all other stories: the story of why we exist. All great human stories must interact with this story. **His Story** explores this fundamental story by retelling the story of the Bible. **His Story** tells the Biblical story of how God has opened up a doorway into our universe and how this impacts the metanarrative of all of our lives. If you want to read the overarching story of the Bible in one short book, then **His Story** is for you. If you want to know the backstory of your life, **His Story** is for you. **His Story** is simply written but doesn't oversimplify. It is a book for people who might call themselves Christians but also for all those who are curious about the ultimate story: **His Story**, the story of why we are here.
