The Lady from Zagreb Philip Kerr, 2016-02-23 The tenth installment of the Bernie Gunther series by the author of PRAGUE FATALE and A MAN WITHOUT BREATH *The Lady from Zagreb* Philip Kerr, 2015-04-07 In 1942 there are many worse places to be than Zurich and detective Bernie Gunther has seen his fair share of them So when a superior asks him to track down a glamorous German actress believed to be hiding in Zurich he takes the job Not that he has much choice the superior is Goebbels himself Soon Bernie finds himself involved in something much more sinister The actress it emerges is the daughter of a fanatical Croatian fascist the sadistic commandant of a notorious concentration camp And the Swiss police have a cold case that they want Bernie to take a look at one that seems to have connections to some powerful people back in the Reich The Lady from Zagreb is another inimitable Bernie Gunther investigation from Philip Kerr a rich dark and fast paced adventure of a nightmarish time and a lonely indomitable hero **The Lady from Zagreb** Philip Kerr, 2015 **Nazi Germany and the Holocaust in Historical Crime Fiction** Anthony Lake, 2023-07-24 This is the first book length academic study of the portrayal in contemporary historical crime fiction of Nazi Germany and the Holocaust and their legacies It discusses novels written by five authors David Downing Philip Kerr Luke McCallin Joseph Kanon and David Thomas Their work belongs to a subgenre of the historical crime novel that has emerged since the late 1980s to become a significant body of writing located at the intersection of crime fiction and Holocaust literature The readings of these novels explore questions of form and genre to ask how popular fiction might approach the Holocaust Themes of resistance and complicity and the relationship between them and problems of guilt and responsibility are also discussed This book also explores questions of justice to show how these novels explore social and moral justice and vengeance and revenge as alternatives to ordinary legal justice after the Holocaust **Greeks Bearing Gifts** Philip Kerr, 2018-04-03 An NPR Book of the Year A Crime Reads Best Crime Book of 2018 A vicious murder puts Bernie Gunther on the trail of World War 2 criminals in Greece in this riveting historical thriller in Philip Kerr's New York Times bestselling series Munich 1956 Bernie Gunther has a new name a chip on his shoulder and a dead end career when an old friend arrives to repay a debt and encourages Christoph Ganz to take a job as a claims adjuster in a major German insurance company with a client in Athens Greece Under the cover of his new identity Bernie begins to investigate a claim by Siegfried Witzel a brutish former Wehrmacht soldier who served in Greece during the war Witzel's claimed losses are large and even worse they may be the stolen spoils of Greek Jews deported to Auschwitz But when Bernie tries to confront Witzel he finds that someone else has gotten to him first leaving a corpse in his place Enter Lieutenant Leventis who recognizes in this case the highly grotesque style of a killer he investigated during the height of the war Back then a young Leventis suspected an S S officer whose connection to the German government made him untouchable He's kept that man's name in his memory all these years waiting for his second chance at justice Working together Leventis and Bernie hope to put their cases new and old to bed But there's a much more sinister truth to

acknowledge A killer has returned to Athens one who may have never left *Drink in the Summer* Tony Fabijančić,2023-08-15 Since childhood Tony Fabijan i has travelled frequently to Yugoslavia and Croatia the homeland of his father He spent time with his peasant family in the village of Srebrnjak in the north and escaped to the Adriatic islands in the south where he could break free from the constraints of everyday life Those two worlds the north marked by the haunting saga of family life its history and material practices and the south a place defined by travel and escape formed the two halves of Fabijan i s Croatian life Over time he observed Srebrnjak become a white collar weekend retreat the community of peasants of the 1970s to which he was first introduced only a distant memory From the continental interior of green valleys and plum orchards to the austere and skeletal karst coast *Drink in the Summer* is a unique record of a place and people now lost to time a description of a country s varied landscapes and a journey of discovery freedom beauty and love

Kniesche,2025-04-12 This book takes a close look at crime fiction set in the interwar period and during the reign of terror of the Nazi regime Kniesche analyzes historical crime fiction depicting Weimar and Nazi Germany with specific questions in mind what does the text try to accomplish in regard to transmitting historical knowledge What history is told How is historical knowledge represented and conveyed in crime fiction Does the historical background provide an indispensable setting for the crime story With consideration to the degree of self reflexivity in the texts Kniesche probes how open the text is to an active participation of the reader in evaluating the historical knowledge that the text itself attempts to provide *Women and Industry in the Balkans* Chiara Bonfiglioli,2019-09-19

Women s emancipation through productive labour was a key tenet of socialist politics in post World War II Yugoslavia Mass industrialisation under Tito led many young women to join traditionally feminised sectors and as a consequence the textile sector grew rapidly fast becoming a gendered symbol of industrialisation consumption and socialist modernity By the 1980s Yugoslavia was one of the world s leading producers of textiles and garments The break up of Yugoslavia in 1991 however resulted in factory closures bankruptcy and layoffs forcing thousands of garment industry workers into precarious and often exploitative private sector jobs Drawing on more than 60 oral history interviews with former and current garment workers as well as workplace periodicals and contemporary press material collected across Croatia Macedonia Serbia Bosnia Herzegovina and Slovenia *Women and Industry in the Balkans* charts the rise and fall of the Yugoslav textile sector as well as the implications of this post socialist transition for the first time In the process the book explores broader questions about memories of socialism lingering feelings of attachment to the socialist welfare system and the complexity of the post socialist era This is important reading for all scholars working on the history and politics of Yugoslavia and the Balkans oral history memory studies and gender studies *Branded Customer Service* Janelle Barlow,2010 By the author of the bestselling *A Complaint Is a Gift* more than 100 000 copies sold The first book to combine the dynamics of customer service with the psychology of branding two of the most powerful concepts in business A comprehensive practical guide that offers strategies

exercises and real world examples of branded customer service in action Branding is an integral part of modern business strategy But while there are dozens of books on branding products and marketing campaigns nobody has applied the logic and techniques of branding to customer service until now Branded Customer Service is a practical guide to moving service delivery to a new level so that brand reinforcement occurs every time customers interact with organizational representatives Janelle Barlow and Paul Stewart show how to infuse an entire organization with brand values and create a recognizable style of service that reflects brand promises and brand images

Story You Don't Want to Read, About People You Don't Want to Meet Aleksandra Osman, 2024-04-26 No one dreams of becoming a refugee I know I was one a child fleeing war torn Sarajevo Though the Bosnian War has faded from global attention for those it displaced the struggle persists Being a refugee is not a one time event but a lifelong series of petty humiliations as you chase the elusive prize of acceptance in a new homeland This collection shares raw stories from refugees like me who now call Canada home On paper Canada welcomes diversity in reality immigrants often face a glass ceiling that excludes us from full participation With irony in this multicultural nation we are made to feel like uncomfortable outcasts burdened by our pasts You may not want to hear our stories because they highlight bitter truths that even in an open armed country refugees endure judgement and distance But acknowledging these stories is the first step toward positive change By reading about our intersecting struggles you become part of the solution helping to shift perspectives and bring us in from the margins Our histories make some uncomfortable but are essential to share if we hope to build a more inclusive society

One More for the Road Rajko Grlić, 2021-10-15 Recounts the life and career of Croatian filmmaker Rajko Grli in the form of a lexicon of film terms tied to anecdotes spanning Grli s life I read a lot this year Old new borrowed blue This was the best The paradox of reading something so avidly that you can t put it down and then I got to the last 20 pages slowing down to a snail s pace and reading so slowly so that it wouldn t be over so quickly Mike Downey European Film Academy From his post Nazi era childhood in Yugoslavia to his college years during the 1968 invasion of Prague the Yugoslav dissolution wars and his subsequent exile in the United States these personal stories

combine to provide insight into socialist film industries contextualizing south Slavic film while also highlighting its contacts with Western filmmakers and film industry From the introduction by Aida Vidan The one hundred and seventy seven film terms provide sometimes a direct and at other times a metaphoric path to Grli s stories and concurrently serve as a self referential mechanism to comment on a series of film attributes The entries can be read in any order allowing for the reader s own montage of the book s universe Grli adroitly captures the absurdities and paradoxes in one s life resulting from the sort of tectonic shifts with which East European history abounds

Metropolis Philip Kerr,2019

A portrait of Bernie Gunther in his twenties He s young but he s seen four bloody years of trench warfare And he s not stupid So when he receives a promotion and a ticket out of Vice squad he knows he s not really leaving behind the criminal gangs the perverse sex clubs and the laundry list of human corruption It s 1928 and Berlin is a city on the edge of chaos where nothing is truly verboten But soon a new wave of shockingly violent murders sweeps up society s most vulnerable prostitutes and wounded ex soldiers begging on the streets As Bernie Gunther sets out to make sense of multiple murders with different MOs in a city that knows no limits he must face the fact that his own police HQ is not immune The Nazi party has begun to infiltrate the Alex Berlin s central office just as the shakey Weimar government makes a last desperate attempt to control a nation edging toward to the Third Reich It seems like the only escape for most Berliners is the theater and Bernie s no exception As he gets deeper into the city s sordid underground network he seeks comfort with a make up artist who is every bit a match for his quick wit and increasingly sardonic view of the world But even this space can t remain untouched not with this pervasive feeling that everything is for sale in Berlin if you re man enough to kill for it
