The Last Citadel Petersburg June 1864 April 1865

Thomas E. Pope

The Last Citadel Petersburg June 1864 April 1865:

The Last Citadel Noah Andre Trudeau, 2024-04-15 The Petersburg campaign began on June 9 1864 and ended on April 3 1865 when Federal troops at last entered the city It was the longest and most costly siege ever to take place on North American soil yet it has been overshadowed by other actions that occurred at the same time period most notably Sherman s famous March to the Sea and Sheridan s celebrated Shenandoah Valley campaign The ten month Petersburg affair witnessed many more combat actions than the other two combined and involved an average of 170 000 soldiers not to mention thousands of civilians who were also caught up in the maelstrom By its bloody end the Petersburg campaign would add more than 70 000 casualties to the war s total

The Last Citadel Noah Andre Trudeau, 1991 Chronicles the 292 day siege of Petersburg Virginia the closing act of the Civil War that claimed an unprecedented loss of life and provoked the Battle of the Crater which introduced deadly new techniques of warfare

The Last Citadel Noah Andre Trudeau, 2022-05-20 The revised and updated groundbreaking study of the most extensive military operation of the Civil War from the author of *Bloody Roads South* The Petersburg campaign began on June 9 1864 and ended on April 3 1865 when Federal troops at last entered the city It was the longest and most costly siege ever to take place on North American soil yet it has been overshadowed by other actions that occurred at the same time period most notably Sherman s famous March to the Sea and Sheridan s celebrated Shenandoah Valley campaign The ten month Petersburg affair witnessed many more combat actions than the other two combined and involved an average of 170 000 soldiers not to mention thousands of civilians who were also caught up in the maelstrom By its bloody end the Petersburg campaign would add more than 70 000 casualties to the war s total With the same dogged determination that had seen him through the terrible Overland Campaign Lieutenant General Ulysses S Grant fixed his sights on the capture of Petersburg Grant s opponent General Robert E Lee was equally determined that the Cockade City would not fall Trudeau crafts this dramatic and moving story largely through the words of the men and women who were there including officers common soldiers and the residents of Petersburg What emerges is an epic account rich in human incident and adventure Based on exhaustive research into official records and unpublished memoirs letters and diaries as well as published recollections and regimental histories *The Last Citadel* also includes twenty three maps and a choice selection of drawings by on the spot combat artists

The Civil War in Books David J. Eicher, 1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other

Civil War bibliographies and the works included in Eicher's mammoth undertaking are indexed by author or editor and by title. Gary Gallagher's foreword traces the development of Civil War bibliographies and declares that Eicher's annotation exceeds that of any previous comprehensive volume. *The Civil War in Books*, Gallagher believes, is precisely the type of guide that has been needed. The first full-scale, fully annotated bibliography on the Civil War to appear in more than thirty years, Eicher's *The Civil War in Books* is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States. The bibliography, the most valuable reference book on the subject since *The Civil War Day by Day*, will be essential for college and university libraries, dealers in rare and secondhand books, and Civil War buffs.

The 4th North Carolina Cavalry in the Civil War Neil Hunter Raiford, 2006-12-06 In April 1862 the Civil War was entering its second year and North Carolina was rallying to supply more troops for the Confederacy. The Partisan Ranger Act passed by the Confederate Congress on April 21 prompted local leaders to recruit companies of irregular soldiers for service in the Confederate Army. Seven such companies were banded together into a regiment to form the 4th North Carolina Cavalry, a true cross-section of North Carolina; it contained soldiers from the largest urban areas and smallest rural areas from fifteen counties. This history of the 4th North Carolina Cavalry is based largely on primary source material: the official records, letters, diaries, and recollections of the soldiers. The 4th North Carolina saw action in North Carolina, Virginia, Maryland, and Pennsylvania and was a part of General Lee's Army of Northern Virginia. The roster comprises a large part of the book and provides biographical, genealogical, and military information about each soldier.

The 16th Michigan Infantry in the Civil War, Revised and Updated Kim Crawford, 2019-08-01 On the hot summer evening of July 2, 1863, at the climax of the struggle for a Pennsylvania hill called Little Round Top, four Confederate regiments charge up the western slope, attacking the smallest and most exposed of their Union foes: the 16th Michigan Infantry. Terrible fighting has raged, but what happens next will ultimately and unfairly stain the reputation of one of the Army of the Potomac's veteran combat outfits, made up of men from Detroit, Saginaw, Ontonagon, Hillsdale, Lansing, Adrian, Plymouth, and Albion. In the dramatic interpretation of the struggle for Little Round Top that followed the Battle of Gettysburg, the 16th Michigan Infantry would be remembered as the one that broke during perhaps the most important turning point of the war. Their colonel, a young lawyer from Ann Arbor, would pay with his life, redeeming his own reputation while a kind of code of silence about what happened at Little Round Top was adopted by the regiment's survivors. From soldiers' letters, journals, and memoirs, this book relates their experiences in camp, on the march, and in battle, including their controversial role at Gettysburg up to the surrender of Gen. Robert E. Lee at Appomattox Court House.

Commanding the Army of the Potomac Stephen R. Taaffe, 2006 Stephen Taaffe takes a close look at this command cadre, examining who was appointed to these positions, why they were appointed, and why so many of them ultimately failed to fulfill their responsibilities. He demonstrates that ambitious officers such as Gouverneur Warren, John Reynolds, and Winfield Scott Hancock employed all the weapons at their disposal from personal connections to

exaggerated accounts of prowess in combat to claw their way into these important posts Once there however as Taaffe reveals many of these officers failed to navigate the tricky and ever changing political currents that swirled around the Army of the Potomac As a result only three of them managed to retain their commands for more than a year and their machinations caused considerable turmoil in the army s high command structure BOOK JACKET Great Sieges in World History Spencer C. Tucker,2021-02-15 This impressive collection of 100 of the most decisive and important sieges spans human history and covers conflicts in Africa Asia Europe and the Americas This engaging reference work provides readers with detailed coverage on the sieges that have had the biggest impact on world history In addition to providing basic factual information this encyclopedia delves into the historical context and significance of each siege Readers will be able to identify relationships between entries and observe both the gradual evolution of siege warfare over time and compare and contrast siege characteristics within and among different historical time periods The encyclopedia s expansive scope will broaden readers understanding of military history The book begins with a preface and an introductory essay that offers a detailed overview of siege warfare throughout history This is followed by 100 chronological entries on the most significant sieges beginning with the Siege of Troy 1194 1184 BCE and ending with the Siege of Mosul October 17 2016 July 9 2017 Each siege entry has a Further Reading section that directs readers to additional information about the siege Numerous illustrations and maps accompany the text

Lee's Tigers Revisited Terry L. Jones,2017-10-18 In *Lee s Tigers Revisited* noted Civil War scholar Terry L. Jones dramatically expands and revises his acclaimed history of the approximately twelve thousand Louisiana infantrymen who fought in Robert E. Lee s Army of Northern Virginia Sometimes derided as the wharf rats from New Orleans and the lowest scrappings of the Mississippi the Louisiana Tigers earned a reputation for being drunken and riotous in camp but courageous and dependable on the battlefield Louisiana s soldiers some of whom wore colorful uniforms in the style of French Zouaves reflected the state s multicultural society with regiments consisting of French speaking Creoles and European immigrants Units made pivotal contributions to many crucial battles resisting the initial Union onslaught at First Manassas facilitating Stonewall Jackson s famous Valley Campaign holding the line at Second Manassas by throwing rocks when they ran out of ammunition breaking the Union line temporarily at Gettysburg s Cemetery Hill containing the Union breakthrough at Spotsylvania s Bloody Angle and leading Lee s attempted breakout of Petersburg at Fort Stedman The Tigers achieved equal notoriety for their outrageous behavior off the battlefield so much so that sources suggest no general wanted them in his command By the time of Lee s surrender at Appomattox there were fewer than four hundred Louisiana Tigers still among his troops *Lee s Tigers Revisited* uses letters diaries memoirs newspaper articles and muster rolls to provide a detailed account of the origins enrollments casualties and desertion rates of these soldiers Illustrations including several maps newly commissioned for this edition chart the Tigers positions on key battlefields in the tumultuous campaigns throughout Virginia By utilizing first person accounts and official records Jones provides the definitive study of the Louisiana

Tigers and their harrowing experiences in the Civil War *The 36th Infantry United States Colored Troops in the Civil War*
James K. Bryant, II, 2014-01-02 During the Civil War African American war correspondent Thomas Morris Chester was so inspired by the men of the 36th United States Colored Troops that he declared the group to be a model regiment Composed primarily of former slaves recruited from Union occupied areas of eastern North Carolina and southeastern Virginia the 36th USCT participated in large scale expeditions to liberate slaves guarded Confederate prisoners at major POW camps served in the trenches before Petersburg and Richmond and stood as one of the first units to enter the abandoned Confederate capital on April 3 1865 This volume which includes a complete regimental roster explores the background of these former slaves and their families examines their initial recruitment and chronicles their military contributions throughout the war More than a unit history the story of the 36th USCT offers a vivid portrait of the challenging transition from slavery to freedom

American Civil War Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict **Robert E. Lee: A**

Biography Emory M. Thomas, 1997-06-17 The best and most balanced of the Lee biographies New York Review of Books The life of Robert E Lee is a story not of defeat but of triumph triumph in clearing his family name triumph in marrying properly triumph over the mighty Mississippi in his work as an engineer and triumph over all other military men to become the towering figure who commanded the Confederate army in the American Civil War But late in life Lee confessed that he was always wanting something In this probing and personal biography Emory Thomas reveals more than the man himself did Robert E Lee has been and continues to be a symbol and hero in the American story But in life Thomas writes Lee was both more and less than his legend Here is the man behind the legend **The Black Civil War Soldiers of Illinois** Edward A. Miller, Jr., 2021-08-24 Chronicles the Civil War experience of a representative African American regiment The Black Civil War

Soldiers of Illinois tells the story of the Twenty ninth United States Colored Infantry one of almost 150 African American regiments to fight in the Civil War and the only such unit assembled by the state of Illinois The Twenty ninth took part in the famous Battle of the Crater at Petersburg joined Grant s forces in the siege of Richmond and stood on the battlefield when Lee surrendered at Appomattox In this comprehensive examination of the unit s composition contribution and postwar fate Edward A Miller Jr demonstrates the value of the Twenty ninth as a means of understanding the Civil War experience of African American soldiers including the prejudice that shaped their service Miller details the formation of the Twenty ninth its commendable performance but incompetent leadership during the Petersburg battle and the refilling of its ranks mostly by black enlistees who served as substitutes for drafted white men He recounts the unit s role in the final campaign against the Army of Northern Virginia its final needless mission to the Texas border the tragic postwar fate of most of its officers and the continued discrimination and economic hardship endured after the war by the soldiers *Lee's Miserables* J. Tracy Power,2015-01-01 Never did so large a proportion of the American population leave home for an extended period and produce such a detailed record of its experiences in the form of correspondence diaries and other papers as during the Civil War Based on research in more than 1 200 wartime letters and diaries by more than 400 Confederate officers and enlisted men this book offers a compelling social history of Robert E Lee s Army of Northern Virginia during its final year from May 1864 to April 1865 Organized in a chronological framework the book uses the words of the soldiers themselves to provide a view of the army s experiences in camp on the march in combat and under siege from the battles in the Wilderness to the final retreat to Appomattox It sheds new light on such questions as the state of morale in the army the causes of desertion ties between the army and the home front the debate over arming black men in the Confederacy and the causes of Confederate defeat Remarkably rich and detailed Lee s Miserables offers a fresh look at one of the most studied Civil War armies **The Atlanta Daily Intelligencer Covers the Civil War** Stephen Davis,Bill Hendrick,2023-02-10 Confederate newspapers were beset by troubles paper shortages high ink prices printers striking for higher pay faulty telegraphic news service and subscription prices insufficient to support their operations But they also had the potential to be politically powerful and their reporting of information accurate or biased shaped perceptions of the Civil War and its trajectory The Atlanta Daily Intelligencer Covers the Civil War investigates how Atlanta s most important newspaper reported the Civil War in its news articles editorial columns and related items in its issues from April 1861 to April 1865 The authors show how The Intelligencer narrated the war s important events based on the news it received at what points the paper and the Confederate press generally got the facts right or wrong based on the authors original research on the literature and how the paper s editorial columns reflected on those events from an unabashedly pro Confederate point of view While their book focuses on The Intelligencer Stephen Davis and Bill Hendrick also contribute to the scholarship on Confederate newspapers emphasizing the papers role as voices of Confederate patriotism Southern nationalism and contributors to wartime public

morale Their well documented detailed study adds to our understanding of the relationship between public opinion and misleading propaganda The Weary Boys Thomas E. Pope,2002 Milroy s Weary Boys was the derisive nickname Maj Gen Winfield Scott Hancock gave to the survivors of the 110th Ohio Volunteer Infantry after the Second Battle of Winchester Author John E Pope reconsiders the men of this infantry and their contribu tuion to the Army of Potomac **Wisconsin and the Civil War** Ronald Paul Larson,2017-11-27 Wisconsin troops fought and died for the Union on Civil War battlefields across the continent from Shiloh to Gettysburg Wisconsin lumberjacks built a dam that saved a stranded Union fleet The Second Wisconsin Infantry suffered the highest percentage of battle deaths in the Union army Back home in a state largely populated by immigrants and recent transplants the war effort forced Wisconsin s residents to forge a common identity for the first time Drawing on unpublished letters and new research Ron Larson tells Wisconsin s Civil War story from the famous exploits of the Iron Brigade to the heretofore largely unknown contributions of the Badger State s women African Americans and Native Americans **Correspondence of Major General Emory Upton, Vol. 1, 1857-1875** Salvatore Cilella,2024-01-12 Emory Upton 1839 1881 was thrust into the Civil War immediately upon graduation from the United States Military Academy at West Point in May of 1861 He was wounded three times during the war He participated in nearly every major battle in the Eastern Theater including Fredericksburg Gettysburg and Spotsylvania where he led a prominent attack on entrenched Confederate positions a signal of Upton s brilliance as an officer and of his military creativity that foreshadowed his later work in revising the Army s tactics Upton was mustered out of service in 1866 and later named commandant of cadets at West Point a position that carved a path for Upton to focus more on Army tactics and reforms Until now the only lenses through which scholars could study Upton were two biographies published nearly a century apart but practically identical in scope and treatment The two volume Correspondence of Major General Emory Upton follows Upton through his enrollment at West Point to his extensive Army activities following the Civil War and contains the bulk of his wartime correspondence Volume one with Upton s Civil War correspondence encompasses both larger battle details and day to day activities in the life of a soldier His letters reveal a mercurial individual a humorous person used to suffering and rejoicing who could be flawed and brilliant vain and humble These selected letters and reports expertly annotated and gathered from repositories across the country present a more complex human Emory Upton He is both the clean pure and spotless individual of biographies and the ambitious yet flawed Army officer obsessed with his career These volumes explore his trials and frustrations as well as his triumphs Salvatore G Cilella Jr now retired was president of the Atlanta Historical Society He is the author of Upton s Regulars The 121st New York Infantry in the American Civil War and Fund Raising for Small Museums in Good Times and Bad Lincoln and Grant Edward H. Bonekemper,2015-03-23 Lincoln and Grant is an intimate dual portrait of President Abraham Lincoln and General Ulysses S Grant their ordinary Western backgrounds their early struggles to succeed and their history making relationship during the Civil War Though generally remembered by

history as two very different personalities the soft spoken Lincoln and often crude Grant in fact shared a similar drive and determination as this in depth character study illustrates **Grant and Lee** Edward H. Bonekemper, III, 2012-12-10 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee s excessive casualties in Virginia the consequent drain of Confederate resources from Grant s battlefronts and Lee s refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee s own priorities constantly undermined the Confederacy s chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle

This is likewise one of the factors by obtaining the soft documents of this **The Last Citadel Petersburg June 1864 April 1865** by online. You might not require more mature to spend to go to the books start as skillfully as search for them. In some cases, you likewise get not discover the message The Last Citadel Petersburg June 1864 April 1865 that you are looking for. It will agreed squander the time.

However below, taking into consideration you visit this web page, it will be for that reason very easy to get as with ease as download lead The Last Citadel Petersburg June 1864 April 1865

It will not receive many time as we run by before. You can get it even though do something something else at home and even in your workplace. as a result easy! So, are you question?
