

SUMMER

HARVEST,
TASTE, LAUGH.

IN THE SUNSHINE,
EVERYTHING GROWS MORE
QUICKLY, EVEN YOUR
DESIRE TO START AGAIN!

The garden in party mood

The garden sings in the sunshine. Flowers burst open with colour, fruits swell with sugar. Harvest, taste, laugh.

You are becoming an expert and the balcony is transformed into a banquet for bees and curious children.

Summertime means a party in the garden! Plants overflow with energy, fruits turn red in the sun, and you **pick the fruits of your labour**... with hungry sticky fingers! You prize tomatoes and they thank you by growing even better. By composting, you discover that kitchen peelings are not waste but future magic soil. And you're already sowing a small wooded corner by planting acorns and fruit stones or bulbs that will dream all winter.

The Little Paris Shop English Edition:

The Women of 'Little Paris' Sonia-Doris Andras, 2024-11-14 Filling a gap in Eastern European fashion studies this book presents middle class women consuming fashion in the symbolic Little Paris of interwar Bucharest and examines how their material and cultural means supported the city's modernisation. Combining archival research with personal archaeology this interdisciplinary work explores Romania's reinvention as a modern state focusing on middle class women as they lived their lives walking through the streets at lavish events at cafes and clubs shopping and working. Analysing largely unseen unused written and visual texts *The Women of Little Paris* encourages exploration of new avenues for research uniting scholars of Romanian culture history and fashion and guiding readers through a forgotten little explored world and in so doing adds to our understanding and knowledge of the global image of interwar fashion cultures and the emerging field of Romanian fashion studies.

The Best Vintage, Antique and Collectible Shops in Paris Edith Pauly, 2009-05-05 Antiques aficionados and rummagers of every stripe call to mind dimly lit attics trunks smelling of old leather dusty cartons and that indescribable tingle of suspense aroused by the idea of a hidden prize which has been lying there biding its time waiting for you to find it. If you follow the instructions we have mapped out for you you might discover almost anything. Armed with this list of Paris addresses carefully selected to fulfill all your desires you'll be equipped with what you need to search for the unknown unexpected surprise be it large or small Paris still contains many mysterious secrets and magical places which you'll discover to your wonderment as you explore its secondhand stores that are brimming with all sorts of decorative curiosities. At the rear of a courtyard or sheltered by a nineteenth century arcade in a Gothic stone basement or in an ordinary looking shop you will find a cornucopia of delights at a variety of prices always with charm. Fifty eight antique vintage and curiosity shops as well as the Saint Ouen flea market are profiled and photographed in this lavish guide to all things collectible in Paris.

The Little Paris Bookshop Nina George, 2016-03-22 Monsieur Perdu can prescribe the perfect book for a broken heart. But can he fix his own? Monsieur Perdu calls himself a literary apothecary. From his floating bookstore in a barge on the Seine he prescribes novels for the hardships of life. Using his intuitive feel for the exact book a reader needs Perdu mends broken hearts and souls. The only person he can't seem to heal through literature is himself; he's still haunted by heartbreak after his great love disappeared. She left him with only a letter which he has never opened. After Perdu is finally tempted to read the letter he hauls anchor and departs on a mission to the south of France hoping to make peace with his loss and discover the end of the story. Joined by a bestselling but blocked author and a lovelorn Italian chef Perdu travels along the country's rivers dispensing his wisdom and his books showing that the literary world can take the human soul on a journey to heal itself. Internationally bestselling and filled with warmth and adventure *The Little Paris Bookshop* is a love letter to books meant for anyone who believes in the power of stories to shape people's lives.
