The Living King And The Twelve Kings:

The Living King and the Twelve Kings David Jimenez, 2016-05-17 Twelve honorable kings were anointed to serve God's son Jesus. In the midst of this, the Dark Lord Seitor strives to steal the powers of the Quint Fey, the five leaders of the Twelve Kings. Through devious ways and murder, Seitor steals one of the five powers, the Ruby Stone Ring, leaving the other four powers in jeopardy. Because the bond of the Quint Fey is broken, Jesus summons the angel Michael to go on a quest to find new kings and queens on earth to serve as the New Faith. The new king and queens find themselves in a whole new adventure, making new friends, discovering this magical world filled with creatures and mythical beings, and in a battle against Seitor and his army. In the end, true faith comes from the heart of a family.

Through the portal: The rise of the North King, 2024-11-30 I just wanted a quiet life. But then I went through a portal to another world. Thrown into a world full of magic, flying dragons, and dangerous creatures, the protagonist finds himself in a land inhabited by powerful gods and mysterious races. As an ordinary citizen who does not even know the language, survival seems an impossible task. But with the awakening of an unusual ability, the power to summon allies from the old world, everything changes. With each new ally, the protagonist rises in the social ranks, turning the struggle to survive into a journey to the top. However, the kingdom is threatened by an invasion of monsters, and the fate of the North depends on him. Do I really have to save this world? I just wanted to go home. From ordinary citizen to King of the North, the fate of an entire land is in his hands. But when two worlds collide, who knows what the future will bring.
