W. Lowndes,2004-01-01 In recent years there has been a resurgence of interest in Hugo Gernsback and the start of a serious study of the contribution he made to the development of science fiction It seemed to me that the time was due to reinvestigate the Gernsback era and dig into the facts surrounding the origins of Amazing Stories I wanted to find out exactly why Hugo Gernsback had launched the magazine what he was trying to achieve and to consider what effects he had good and bad Too many writers and editors from the Gernsback days have been unjustly neglected or unfairly criticized Now I hope Robert A W Lowndes and I have provided the grounds for a fair consideration of their efforts and a true reconstruction of the development of science fiction It s the closest to time travel you ll ever get I hope you enjoy the trip Mike Ashley Preface **Planet Explorer** Murray Leinster,2023-02-09 Planet Explorer is a science fiction story by Murray Leinster The story is about a group of explorers who travel to a remote planet in search of resources When they arrive they discover that the planet is already inhabited by an intelligent species The explorers must navigate the challenges of communicating with the alien species and avoiding conflict while also searching for the resources they need The story explores themes of interplanetary exploration first contact with alien species and the difficulties of communication and cooperation in the face of cultural differences **Killdozer!** Theodore Sturgeon,2013-04-09 Discover tales of murderous hive minds possessed bulldozers crash landed aliens in this collection of classic science fiction short stories from the Hugo and Nebula Award winning master of the genre Killdozer is the third volume of a series of the complete short stories from Theodore Sturgeon s career It contains a few of his best and most famous short stories including Medusa Killdozer and Mewhu s Jet The series editor Paul Williams has dug into the background of each story and come up with a lot of interesting lore about Sturgeon Especially of interest in this volume is the alternative original ending to Mewhu s Jet *The Mad Planet and two more*

Jack Winston may be Hollywood's biggest action hero but he's seriously burned out He can't even save himself from his PR team's latest scheme dating a starlet But when his assistant accidentally tags Cassidy James from Blink Maine wherever that is on social media the paparazzi decide that she's Jack's latest fling Now Jack needs to do some serious damage control starting with the adorable home reno pro in paint splattered overalls Cassidy is not prepared when the Jack Winston shows up in her quiet little town and whew he is that gorgeous in person Before she can pick her jaw up off the floor his PR team is bombarding them with a whole new plan involving fake girlfriend optics and sign this NDA whatever that is But no one warned her that Mr A List Action Star is hot funny as all get out and loves old houses as much as she does Now they have two weeks to convince everyone they're in a fake relationship two weeks that will drive Cassidy's reno business through the roof and help Jack reclaim his spark The plan is going fine dare she say perfectly until she discovers something that will change everything Each book in the Hideaway Harbor series is STANDALONE *Accidentally Perfect* *Accidentally Famous* **Space Tug** Murray Leinster, 2022-09-16 Murray Leinster's *Space Tug* emerges as a quintessential piece of mid 20th century science fiction encapsulating the era's fascination with space exploration and the possibilities the cosmos beholds Demonstrative of Leinster's affinity for blending speculative engineering with relatable human struggles the book intricately weaves technical detail with compelling narrative The literary style is characteristic of the post Golden Age of Science Fiction engaging with its technological optimism and focusing on the burgeoning space race as a cultural zeitgeist Within the frame of this period *Space Tug* situates itself firmly as the story maneuvers through the practicalities and dangers of space while maintaining its grip on the reader's imagination with classic human centered storytelling Murray Leinster the pen name for William Fitzgerald Jenkins was an influential figure in science fiction widely recognized for his visionary ideas and contributions to the genre His experience in radio communications during World War I likely fueled his interest in technology and communication which are evident themes in *Space Tug* Leinster's experiences and the post war cultural climate crafted his perspective on human ingenuity and the potential for innovation concepts that are deeply ingrained in the fabric of his novel The author's diverse writing career and his knack for predicting technological advancements lend credence to the plausibility and immersive quality of the world he creates within *Space Tug* Recommended for both enthusiasts of classic science fiction and newcomers to the genre *Space Tug* represents a significant monument in the realm of speculative literature It not only offers a glimpse into a historic period of literary science fiction but also resonates with contemporary readers through its exploration of timeless themes such as perseverance collaboration and the unyielding human spirit As carefully selected and

presented by DigiCat Publishing for the modern reader this special edition ensures that the legacy of Space Tug continues to inspire and entertain as a classic work of world literature **Attention Saint Patrick** Murray Leinster, 2022-09-16 Murray Leinster's *Attention Saint Patrick* manifests as a paradigm of science fiction that wrestles with the very fabric of civilization and its underlying myths. As one delves into its pages, the reader is greeted with a harmonious blend of intrigue and ingenuity characteristic of Leinster's narrative style. This work, carefully reproduced by DigiCat Publishing, honors the text's originality while enveloping it in a contemporary veil suitable for both print and digital formats. Within the literary context, Leinster's craftsmanship illuminates a path that many writers of the genre have trodden, a path layered with human insights entwined with the marvels of speculative thought. Murray Leinster, born William Fitzgerald Jenkins, is celebrated for his prolific contributions to the field of science fiction. His foresight in technological trends coupled with a genuine understanding of human nature allowed him to craft stories that often proved prescient. It is likely that the totality of experiences garnered throughout his multifaceted life provided a unique backdrop for *Attention Saint Patrick*, a rendering that not only entertains but also explores the profound nexus between humanity's past lore and its oft-times tumultuous relationship with progress. In recommending *Attention Saint Patrick*, it is endorsed to both aficionados of classical science fiction and new explorers of the genre. Leinster's work is a testament to the timeless allure of speculative narrative and stands as an essential piece in the canon of science fiction literature. Esteemed by DigiCat Publishing as a classic, readers are invited to engage with this legacy of humankind, embarking on a journey that is as intellectually stimulating as it is a delight to the literary palate.
