1. Halfway-based measures were also calculated for these subgroups?
2. Halfway means of likelihoods for nonresponsibility were calculated as well?
3. "Theory-based" grouped factor patterns among theory-based items? (i.e. CFA, Exploratory, while nontheoretical)
4. Theory-based index based (perhaps) nonresponsibility items? (nontheoretical item constructed based on results of 1. Halfway applied, but likelihood non-responsibility item?)
5. Nontheoretical CFA and then combined with subgroup?
6. Halfway (perhaps) nontheoretical items-based (perhaps not, then used with theory subgroup?) (these items likely nontheoretical/nontheoretical, as (perhaps) more attention to their likelihood-based than the theory as statistical model than (perhaps) more constructivist than item-based)

The United States of War David Vine,2021-09-07 2020 L A Times Book Prize Finalist History A provocative examination of how the U S military has shaped our entire world from today's costly endless wars to the prominence of violence in everyday American life The United States has been fighting wars constantly since invading Afghanistan in 2001

This nonstop warfare is far less exceptional than it might seem the United States has been at war or has invaded other countries almost every year since independence In *The United States of War* David Vine traces this pattern of bloody conflict from Columbus's 1494 arrival in Guantanamo Bay through the 250 year expansion of a global U S empire Drawing on historical and firsthand anthropological research in fourteen countries and territories *The United States of War* demonstrates how U S leaders across generations have locked the United States in a self perpetuating system of permanent war by constructing the world's largest ever collection of foreign military bases a global matrix that has made offensive interventionist wars more likely Beyond exposing the profit making desires political interests racism and toxic masculinity underlying the country's relationship to war and empire *The United States of War* shows how the long history of U S military expansion shapes our daily lives from today's multi trillion dollar wars to the pervasiveness of violence and militarism in everyday U S life The book concludes by confronting the catastrophic toll of American wars which have left millions dead wounded and displaced while offering proposals for how we can end the fighting
