The king's diamond Edwin Forster Harvey, Lillian Harvey, 1960 **The King's Diamond** Edwin Harvey, Lillian Harvey, 1980 **The King's Diamond. A Christian Novel** Edwin Harvey, 1962 **The Captains and The Kings** Edith Benham Helm, 2021-11-06

The Captains and the Kings by Edith Benham Helm is a richly textured portrait of America's transformation from the Gilded Age into the modern world seen through the lives of those who led and those who served Helm who spent decades as a White House social secretary and close observer of Washington's elite draws back the curtain on the interplay of politics power and personality that defined an era With elegance and insider knowledge she explores how ambition and idealism collided within the corridors of influence and how the character of a nation was shaped by both its captains and its kings Through a series of personal recollections Helm traces her experiences among presidents first ladies and diplomats capturing moments of quiet humanity behind public grandeur The narrative moves from glittering receptions to intimate conversations revealing the moral strength humor and fallibility of those who guided America through war and peace Yet at its heart The Captains and the Kings is less a chronicle of fame than a meditation on service on the unseen figures often women who upheld the dignity and continuity of government life Written with poise wit and a keen historian's sense of occasion Helm's book offers readers a rare glimpse of political and social history from within Her graceful prose and firsthand detail illuminate a vanished world of ceremony conviction and courtesy while her reflections on duty and democracy remain strikingly relevant The Captains and the Kings stands as both memoir and cultural document a testament to a woman who witnessed history unfold from the heart of power *Letters of the Kings of England, Now First Collected from Royal Archives* James Orchard Halliwell-Phillipps, 1848 **Letters of the Kings of England** James Orchard Halliwell-Phillipps, 1846 The Kings of Algiers Julie Kalman, 2023-11-14 This book tells the story of two Jewish trading families based in the port of Algiers who played a key role in Mediterranean commerce and in international diplomacy between European powers and between Europe and the Ottoman Empire in the early 19th century **Kings & Queens** Brent Abraham, 2017-01-17 Welcome to the pinnacle of American crime stories For many of today's inner city youth misguidance a lack of vision and not enough mind leads to time in prison but that's where things change for Earl The young character meets perhaps the wisest mind in captivity a mind so supreme in wisdom that it was trapped there by a criminal underworld who feared it The gems of wisdom knowledge and understanding given to the young man is the breakdown guidance every young mind needs When God created man He searched for a helpmate for him He didn't bring Adam a Road Dawg He brought him a woman Olds had taught That's your true partner in life She had been mistreated socially discarded and seemingly cursed with dark black skin until he came along As he battles for his supremacy in the streets the conversations shared between the two is the breath of life that shapes the intellects of Kings Queens Millionaires and Kings of Enterprise James Burnley, 1901 *Letters of the Kings of England, Now First Collected from Royal Archives ... in*

Two Volumes James-Orchard Halliwell,1848 **All the Kings Horses, All the Kings Men** Donna Purves,2002-03 All the Kings Horses All the Kings Men is a deeply moving account of the life of the author s son previous to and following the discovery of the presence of a tumour in his bones a result of Osteogenic Sarcoma The story begins at the beginning with Jonathan s birth A first time mother the author has her life and her home carefully planned and prepared in anticipation of the arrival of Boots She is soon to realize that having a child is not something one can plan they arrive when they like and they occupy one s thoughts and affections to such an extent that all the best laid plans for going back to her career make less and less sense After a year the author makes the decision to become a full time on location mom The closeness that this allows to develop is to stand her and her son in good stead for the difficult time to come when Jonathan s illness is discovered The author s prose is fluid and articulate conveying with ease the deep love which she feels for her son The description of these carefree early years draws the reader into their extraordinary story so that he too feels affection for this boy at whom life is about to throw its worst whilst the day to day struggle which is to follow is a lesson in courage for us all This is a well written book with an important message for parents parents to be and anyone who has felt and given the precious love unique to parent and child The Silver Kings Stephen Deas,2015-06-18 Praised by the likes of Joe Abercrombie and Brent Weeks Stephen Deas has made dragons his own The Silver King half god legend and myth is returning Once he fought his brother the Black Moon and his dragons and was defeated But the Black Moon was also weakened and a millennia has passed Humanity has grown used to a world without gods a world where they were masters of all including the terrifying dragons But the dragons have awakened the hole in reality is expanding and the shackles that kept the half gods controlled have been broken The Black Moon lives on in the body of Berren Crowntaker and has taken control With an army behind him the dragons above and the Dragon Queen at his side he goes to war with his brother The worlds are turning and only one thing is sure there will be an ending THE SILVER KING is the triumphant conclusion to one of the most brutal and wide ranging fantasy series of recent years *Saga of The Kings Book 1 and Nymphs of The Forest Book 2* Dee Ann Smith,2022-03-16 In the days of yore legends and heroes were born and magic thrived Fairies and nymphs intermingled with human lives At the Great Gathering in the epicenter of the vast dense forest the fairy council and Elders meet There they meet to plot and plan and manipulate the destinies of kings and royalty They judge their sins and decide their fates The young hunter Alexander strides through the forest stirring the mists as he strolls A hooded sorceress Hannah slinks through the forest and enters a dark cave to visit her sister Katarina chained to the cave s slimy walls Sade the fairies protege emerges from the forest to fulfill the fairies plan to end the rule of unjust kings In a circular clearing deep within the forest Drakkar the Man Beast is raised from the dead to continue his quest for revenge They are linked by blood and magic They are the descendants of nymph goddesses Avani wood goddess associated with the forest and trees Layla goddess of darkness and night Marisol goddess of sun water and light Adara goddess of wind and fire Sarika goddess of earthly pleasures and desire It s an epic tale
