The Lamb S Concubine A Novel:

The Concubine's Daughter Helen Kwok, 2003-04-21 The Concubine's Daughter is a snapshot of a bygone era depicting life in the British colony of Hong Kong in the fifties and sixties. It is the story of Elizabeth Lee, a beautiful, intelligent, and liberated young woman. From the time she is a wide-eyed eighteen-year-old studying English Literature at the University of Hong Kong, sharing girlish secrets with her two best friends, to her becoming an academic at the University just after her thirtieth birthday, when she leaves Hong Kong with her husband and young son for the US, frightened in part by the riots inspired by the Cultural Revolution taking place across the border in mainland China. After twenty years in the US, she returns to Hong Kong in 1986, just ten years before China is to regain sovereignty over the colony. Educated in English, Elizabeth is keenly aware of the conflict within herself between her love of certain aspects of Western culture and her Chinese heritage. Living in that period of the colony's history and largely divorced from the cultural life of the Chinese mainland, she is conscious of a sense of isolation. Discriminatory attitudes and actions, whether based on gender, race, or language, are very much a fact of life in Hong Kong during this period. The subject matter is original. The narrative style is witty, mildly sarcastic, and humorous in places. The vivid depiction of social customs and manners and memorable characters from different strata of society contribute to make The Concubine's Daughter a book well worth reading. David Bleiler, 2003-10-24 This is the absolutely indispensable guide to worthwhile cinema. It includes over 10,000 entries on the best of film and video that a real film lover might actually want to see. **The Collected Novels Volume One** Pearl S. Buck, 2018-03-13 From the Nobel Prize-winning author of *The Good Earth*. These three novels are fascinating portraits of women in China. In 1938, Pearl S. Buck became the first woman to win a Nobel Prize in Literature for *The Good Earth*, which had already earned her the Pulitzer Prize. Upon choosing Buck's novel for her book club in 2004, Oprah Winfrey said, "Reading Pearl Buck's writing feels like reading poetry to me. I just love the quiet rhythm of the words. They evoke the simple beauty of the characters and the harsh mystery of China's ancient culture." The daughter of missionaries, the New York Times bestselling author would continue to explore many aspects of Chinese culture in her work, and the three novels collected in this volume represent some of her most compassionate and revealing fiction. *Pavilion of Women* This vivid and extremely interesting novel set in early twentieth-century China follows an upper-class wife's quest for personal freedom. The New Yorker After Madame Wu turns forty, she encourages her husband to take a young concubine so she can finally begin to discover her own mind, and a new world opens up before her as she reads forbidden books and studies English with a progressive former priest. Beautifully written. A fine, full-flavored novel. Newsweek *Peony* A young Chinese bondmaid in nineteenth-century China falls in love with the son of the wealthy Jewish family she works for. As the couple's traditions collide, their relationship faces opposition from every side. *Peony* has the vividness of scene and episode and character and the colorful detail that Buck's readers have come to expect of her novels in China. New York Herald Tribune *Imperial Woman* In this richly woven, quite absorbing New York Times

bestseller Buck brings to life the story of Tzu Hsi the magnetic and fierce minded woman who rose from concubine to become the working head of the Qing Dynasty and the last empress of China for nearly half a century The Nation Certainly no fictioneer could imagine a more incredible woman Pearl Buck has done a remarkable and painstaking job in recreating her Saturday Review *The Book of Yahweh (The Yahwist Bible)* Clarimond Mansfield,1922 *Picador Book Club Sampler: Fall 2014* Picador,2014-09-22 Picador Presents the Picador Book Club This fall immerse yourself in these free select excerpts from this year s best reading group books brought to you by Picador Discover the books at the front lines of modern fiction by some of our country s finest authors These reading group books are sure to lead to some legendary chats and arguments at your book club In this sampler enjoy excerpts from Alice McDermott Toby Barlow Amy Grace Loyd Mary Kay Zurevleff Ronald Frame and many more **Principia Typographica : The Block-Books** Samuel Sotheby,1858 Principia Typographica, the Block-books, Or Xylographic Delineations of Scripture History ...
