The Last Goodbye Of Harris Turner A Ghost Story:

New York Magazine ,1986-04-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Oscar and Bosie Trevor Fisher,2002 The love story of Oscar Wilde and Lord Alfred Douglas surely ranks among the world s greatest romantic tragedies After Wilde s tragic bid to sue the Marquis of Queensberry for libel ended in total humiliation with his imprisonment exile and early death in Paris at the age of 46 the London literati split into bitterly opposed camps Some have believed that Bosie deserted a friend in need others that Wilde was the innocent victim of a long running family feud between an obsessed father and his pampered son Fuelled by the surviving correspondence successive biographies and Bosie s own polemical writing the arguments have merely intensified over the years Of Wilde however the question will always remain Why did he bring about his own downfall This book is that fascinating and complex story *Obituaries in the Performing Arts, 2018* Harris M.
