Look Me in the Eye Caryl Wyatt, 2013-10-31 Caryl's story is a rare gift as it provides insight into an epidemic that brews behind closed doors in more homes than we would care to imagine If statistics are accurate the prevalence of abuse is much higher because domestic

violence is notoriously under reported then up to 25% of the female population suffers abuse at home every week In fact as much as 80% of violence against women is at the hands of the men who supposedly love them If we care at all for our humanity society as a whole needs to take up Caryl s mantra of Abuse Is No Excuse Few understand the nature or the power of abuse and why someone chooses to stay in an ongoing abusive relationship However in reading Caryl s story she allows us to put ourselves in her place and we are left to wonder if we would have been able to do it any differently given her history and her reality This is the gift that Caryl brings with her story and the honest way in which it is told she makes it possible to move outside of ourselves and our own realities judgments and prejudices so that we are able to walk the journey of another This is a rare opportunity to truly live the life of a victim of abuse and to understand from a safe vantage point the powerlessness hopelessness and desperation Caryl falsely believed she was powerless to leave Out on the street with no money without work and nowhere to go after a failed third marriage she didn t make the choice to leave but she did make the choice to survive Caryl chose to learn and understand the nature of domestic violence its root and its cure All addictions are one day at a time journeys to recovery join Caryl on hers Praise received for Look Me in the Eye One of the best personal odyssey stories I have ever read Dr Sam Vaknin author of Malignant Self Love Look Me in the Eye is a rare opportunity for us to truly live the life of a victim of Domestic Violence and to understand from a safe vantage point the powerlessness hopelessness and desperation Alison author of I Have Life About the Authors CARYL WYATT was born in Rhodesia in 1950 where she was brought up in a variety of broken homes She was abused by her step father as a child She moved to South Africa as a wide eyed 18 year old and entered the world of modeling She has 3 broken marriages behind her but today as witnessed in her book has come to terms with her past She lives in Johannesburg Visit Caryl s web site www.abuseisnoexcuse.co.za ANITA LE ROUX was born in Gauteng South Africa She spent twenty years as a television producer before switching careers to writing As storyteller both in film and in print she has been enthused by the true life stories of women The insights into Caryl s story were grounded in her passionate interest in spiritual psychology **The Montoya Saga: Believe** Cecilia Spiros,2012-11 Elizabeth Montoya better known to her friends as Lizzy moves back to The States when her partner Greg receives a well earned promotion Unaware of the dramatically life changing events ahead she strikes up a friendship with two charming girls and her life seems perfect for a while However her world soon collapses around her as she is left to cope with the suspicion that her partner Greg is two timing her yet again and after he assaults her in a drunken rage she has no other option left than to flee her home Stranded and unsure where her destiny lies she conversely finds love where she least expected Yet destiny has other ideas Believe is a sexy romance that will leave you intrigued till the very end **Art, Borders and Belonging** Maria Photiou,Marsha Meskimmon,2021-04-22 Art Borders and Belonging On Home and Migration investigates how three associated concepts house home and homeland are represented in contemporary global art The volume brings together essays which explore the conditions of global migration as a process that is always both about

departures and homecomings indeed home makings through which the construction of migratory narratives are made possible Although centrally concerned with how recent and contemporary works of art can materialize the migratory experience of movement and re settlement the contributions to this book also explore how curating and exhibition practices at both local and global levels can extend and challenge conventional narratives of art borders and belonging A growing number of artists migrate some for better job opportunities and for the experience of different cultures others not by choice but as a consequence of forced displacement caused economic or environmental collapse or by political religious or military destabilization In recent years the theme of migration has emerged as a dominant subject in art and curatorial practices Art Borders and Belonging thus seeks to explore how the migratory experience is generated and displayed through the lens of contemporary art In considering the extent to which the visual arts are intertwined with real life events this text acts as a vehicle of knowledge transfer of cultural perspectives and enhances the importance of understanding artistic interventions in relation to home migration and belonging

White Houses Duncan McWhirter,2000 White Houses shows Paul Fenton enjoying good fortune looking forward to more only to lose it all Rescued by Valerie Barber his life gets better because he is now living with a beautiful woman But it seems there is a heavy price to pay The events take place mainly on the Pacific coast of Canada and the U S and in Morocco and

Iceland In southern Morocco magazine writer Bryndis Kristj nsd ttir observes the antics of the tourists around her and later writes in her journal about ex cartoonist and now wildlife artist Fenton and his flash partner Val She is sexy bright a drinker eccentric and let s face it something of a sadist Her behaviour drives him crazy almost to the point of despair And that point is finally reached in Morocco at Taroudant She occupies his memory He carries her around her image their drama It would not be all that surprising if he sat down one day to paint a turkey vulture and it turned out to be an image of Val with huge dark wings flying low scanning the ground for meals Fenton s mind is haunted by thoughts of the crime he may have committed at Taroudant Val is unable to take it seriously In the end it may be Bryndis who will find out the truth After Morocco the lives of the characters Canadian British American and Icelandic continue to interact Bryndis becomes as much a player as an observer Maybe the Scots dentist s wife Jamie McRitchie probably tastier than the condemned man s last meal could take Val s place in Fenton s life if Val s place could ever be taken by anyone

Little Red Dress Don Julian Winslow,2021-11-19 A quite ordinary young girl steps into her first prom dress and is transformed from girl next door to a ravishing beauty such is the power of clothes When an overly zealous government goes on a crusade to stamp out sexy clothing a group of fun loving girls stumble upon a stash of banned clothes Soon they are trying on the sexy things and brazenly showing them off with predictable results The clothes work their seductive magic and in no time the erotic contagion spreads eventually corrupting the very government officials who are publicly demanding restrictions on behavior between the sexes while privately cavorting about in the most provocative outrageous dress Wildly thrilled he grabbed for her his greedy hands cupping to fit Jodi s tight cheeked bottom rubbing his palms over the slick tight fitted seat of her silvery panties He spent a few moments thus engaged fondling the girl s rear end while she feeling the rising heat of arousal squirmed excitedly grinding her butt in his hungry hands A playful swat at that jutting bottom causes her to jack up and turn regarding him over her shoulder with a little pout on her lips *A Mortal Mistake* Vince

Patagonia Maya Fowler,2018-05-02 Tertius de Klerk Afrikaner hapless academic and potential has been A drunken one night stand with a student the confrontation a terrible incident Tertius must flee Like his great grandfather Basjan before him Tertius leaves for Patagonia the remote South American region where his forebears started anew after the Anglo Boer War It s a desperate act but also an opportunity to seek refuge among longlost relatives on the windswept plains of the continent s southernmost tip History repeats itself as his spirited wife Alta sets off after him just as his great grandmother Salome pursued the wayward Basjan across ocean and desert With a heady mix of adventure and humour Maya Fowler s novel spans the wide Patagonian plains and transports you to the New World on Spanish soil where the Afrikaans language survives to this day **Dependent States** Karen Sánchez-Eppler,2005-09 Because childhood is not only culturally but also legally and biologically understood as a period of dependency it has been easy to dismiss children as historical actors By putting children at the center of our thinking about American history Karen S nchez Eppler recognizes the important part childhood played in nineteenth century American culture and what this involvement entailed for children themselves

Dependent States examines the ties between children's literacy training and the growing cultural prestige of the novel the way children functioned rhetorically in reform literature to enforce social norms the way the risks of death to children shored up emotional power in the home how Sunday schools socialized children into racial religious and national identities and how class identity was produced not only in terms of work but also in the way children played For Sánchez Eppler nineteenth century childhoods were nothing less than vehicles for national reform Dependent on adults for their care children did not conform to the ideals of enfranchisement and agency that we usually associate with historical actors Yet through meticulously researched examples Sánchez Eppler reveals that children participated in the making of social meaning Her focus on childhood as a dependent state thus offers a rewarding corrective to our notions of autonomous individualism and a new perspective on American culture itself
