For Ganesh, Remover of Obstacles Sujoya Roy,2005-06 Sushila is an affluent New Yorker of Indian descent disillusioned with corporate America She

drops out of the rat race to find herself but instead discovers her mother's hidden past as a devotional Indian dancer who defied her family to pursue her dreams As Sushila uncovers the events of her mother's extraordinary life she comes to understand the indomitable spirit propelling the woman who shaped her own character What caused a mother to mysteriously escape a prearranged marriage defying her duty to her parents How did she become the first woman at Princeton Why does she so guardedly conceal her impressive history And is her daughter destined to follow in a mother's rebellious footsteps At once a celebration of mothers and daughters and a tribute to the unacknowledged helpers who smooth the paths of our lives Ganesh spans decades cultures and continents traversing the rise of Gandhi in India through post colonialist England into segregated 1950s America with uncommon wit and inordinate sensitivity A gorgeously wrought story that weaves magical realism into historical fiction Ganesh explores the challenges faced by independent spirits breaking from the rigidities of tradition and eloquently evokes the role of the unseen hand in choreographing the dance of life
