Telling Tears in the English Renaissance Marjory E. Lange, 2021-12-06 Tears and weeping are at once human universals and socially constrained phenomena This volume explores the interface between those two viewpoints by examining medical literature sermons and lyric poetry of the 16th and 17th centuries to see how dominant paradigms regarded who could who must and who must not weep These paradigms shifted in some cases radically during these centuries Without a clear understanding of how the Renaissance read tears it is difficult to avoid using our own preconceptions often quite different and very misleading There are five chapters one on medical and scientific material two on sermons and two on different types of lyric

The Jews in the Modern Age John Efron, 2025-06-23 Providing a broad as well as a pointillist overview of modern Jewish history on a global scale from the eighteenth century to the present day this book analyzes how the Jewish people have been dramatically transformed by the forces of social economic political technological and demographic change Now in a new edition as a split volume this second volume of a comprehensive history of the Jews includes topics such as the impact on Jewish society of the Enlightenment as well as its Jewish equivalent the Haskalah religious innovations in eastern and central Europe the processes of emancipation and Jewish acculturation the modern economic history of the Jewish people which includes their embourgeoisement in central and western Europe and the growth of a giant Jewish proletariat in eastern Europe the emergence of an antisemitic politics that sought to roll back Jewish gains and the variety of Jewish responses to those illiberal forces especially in the form of vibrant Jewish political cultures among them Zionism socialism and mass migration Middle Eastern Jewish communities were likewise impacted by the forces of modernity in ways particular to them and that history is addressed as is the emergence and consolidation of the state of Israel in the wake of the Holocaust and the dissolution of Jewish communities across the Muslim world Currently illiberal
