my cancer as I d already been over it and over it I wanted to focus on living and figure out what made me unique 4 I had a sudden flash of insight in the waiting room of the hospital I realized that my uniqueness came from the specific dreams that defined my 46 years of life I had lived out these dreams because of things I had learned from extraordinary people *The Last Lecture (Gujarati)* Randy Pausch With Jeffrey Zaslow,2009-01-01 International Bestseller Now in GujaratiA lot of professors give talks titles titled The Lat Lecture Professors are asked to consider their demise and to ruminate on what matters most to them And while they speak audiences can t help but mull the same question What wisdom would we impart to the world if we knew it was our last chance If we had to vanish tomorrow what would we want as our legacy When Randy Pausch a computer science professor at Carnegie Mellon was asked to give such a lecture he didn t have to imagine it as his last science he had recently been diagnosed with terminal cancer But the lecture he gave Really Achieving Your Childhood Dreams wasn t about dying It was about the importance of overcoming obstacles of enabling the dreams of others of seizing every moment because time is all you have and you may find one day that you have less than you think It was a summation of everything Randy had come to believe It was about living In this book Randy Pausch has combined the humor inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form It is a book that will be shared for generations to come **Quicklet on Randy Pausch, Jeffrey Zaslow's The Last Lecture** Christina St-Jean,2012-02-24
