afterlife no one book has been available to explore it all until now Mariel Forde Clarke asserts that whether you believe in God or heaven you can be comforted by the sense that an afterlife exists beyond the realm of one's physical comprehension Drawing on the findings of patients who have had neardeath experiences and visions and on those of renowned scientists and doctors Clarke helps the reader chart the journey of the soul and navigate their grief Messias Puer: Christian Knorr von Rosenroth's Lost Exegesis of Kabbalistic Christianity Anna M. Vilen, Robert J. Wilkinson, 2020-12-15 Previously considered irretrievably lost the discovery of the only manuscript of the *Messias Puer* composed by Knorr von Rosenroth the leading exponent of Christian Kabbalah in the seventeenth century gives us an important insight into the evolution of his thought and specific vision of the relations between Jews and Christians Moreover the subtle intertwining of both Kabbalah and the emerging biblical criticism at work in this partial commentary on the New Testament Gospels sheds new light on the largely unexplored role of Esotericism during the Modern Era in the construction of the future study of religion This book includes a critical edition of the original manuscript and an annotated translation *Quest for the Kingdom* John M. Newman, 2011 A fascinating analysis that blends world history Western religion and Eastern mysticism *Quest for the Kingdom* by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book's premise holds that Jesus' teachings include specific instructions for the quest to find and live in God's kingdom before death This powerful work favors fact and readers can revel in Jesus' authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus' teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus' healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work's premise to a non-generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like *The Kingdom of God* *The War of the Houses* *The Kingdom Is Like a Woman* *Spiritual Cultivation* and *The Exorcisms and Healings of Jesus* the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus' parables to life with a penetrating analysis that enables the reader to experience Jesus' mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike The Secret Teachings of the Masonic Lodge John Ankerberg, John Weldon, 1990-04-08 Is Masonry nothing more than a harmless brotherhood a club for men Or is there more behind the camaraderie This in-depth book probes the secret teachings and oaths revealing how Masonry conflicts with the very foundations of Christianity *The Portable Seminary* David Horton, 2018-08-21 Take Your Theological Education to the Next Level Deepen your biblical and

theological knowledge without the time expense and formality of seminary In this extensively updated book discover all the major topics in a typical seminary master s program authoritatively taught by respected professors authors and leaders This introduction to a biblical studies degree is ideal for the layperson or anyone in vocational ministry who lacks the time or finances to attend classes who lives where formal training is unavailable or whose previous education is primarily secular Study what you want when you want Subjects include systematic theology surveys of the Old and New Testaments apologetics world religions church history homiletics leadership Christian education and more

The Sermon on the Mount in the Light of the Temple Professor John W Welch,2013-05-28 No religious text has influenced the world more than has the New Testament s Sermon on the Mount and yet this crucial text still begs to be more clearly understood Why was it written What unifying theme or purpose holds it all together Should it be called a sermon Or is it some other kind of composition How would its earliest listeners have heard its encoded allusions and systematic program This book offers new insights into the Sermon on the Mount by seeing it in the shadow of the all pervasive Temple in Jerusalem which dominated the religious landscape of the world of Jesus and his earliest disciples Analyzing Matthew 5 7 in light of biblical and Jewish backgrounds ritual studies and oral performances in early Christian worship this reading coherently integrates every line in the Sermon It positions the Sermon as the premier Christian mystery

Christianity and the Secret Teachings of the Masonic Lodge John Ankerberg,John Weldon,2011-09-30 Is there anything wrong with a Christian being a member of the Lodge Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths Masons are promised that nothing in Masonry s teachings will ever conflict with their own Christian belief Has Masonry lied to or deceived Christians In this book you will find answers to all these questions from the Masonic ritual and the Bible itself

The Gate of Light Lars Muhl,2018-06-19 An introduction to the long forgotten healing methods of the Essenes an ancient sect of Jewish mystics that offers useful tools meditations and visualizations for modern day practitioners Until the discovery of the Dead Sea Scrolls in 1946 there was little known about The Essenes a brotherhood of holy men and women living together within a community over two thousand years ago The Essenes considered themselves to be a separate people not because of external signs like skin color or hair color but because of the illumination of their inner life and their knowledge of the hidden mysteries of nature unknown to other men The Gate of Light is based on Lars Muhl s lifelong search for God It doesn t claim any absolute truths but sets out to provide a practice based on Essene teachings that allows us to look at how we judge ourselves and how we live in the world Muhl asks What motivates us How do we create a balance between thoughts words and actions How do we align ourselves in relation to our

higher self and become the universal light beings we are meant to be In particular he looks at Grief and Happiness Balance and Awareness Selflessness Boredom and Renunciation Loneliness Gratitude Silence and Thoughtfulness The Essenes understood that everything is interactively connected and that everything is energy For them God was the name for the highest form of awareness something omnipresent and if a human wished to learn how they could communicate with this ever present energy through this communication humans could realize their full potential Drawing on this ancient knowledge Muhl presents a complete practice to help us recognize and answer the above questions [The Lost Teachings of Jesus, Book 2](#) Mark L. Prophet,Elizabeth Clare Prophet,2020-11-19 In Book 1 of their Lost Teachings of Jesus series Mark L Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church s doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential **The Lost Teachings of Jesus, Book 1** Mark L. Prophet,Elizabeth Clare Prophet,2020-01-01 Unmistakable evidence that many of Jesus teachings were altered deleted or never recorded In their classic series The Lost Teachings of Jesus Mark L Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries *The Path of the Universal Christ* Mark L. Prophet,Elizabeth Clare Prophet,2003 Long ago Church Fathers suppressed Jesus original teaching on the Christ within But today Mark and Elizabeth Prophet reveal our true inner identity and the true goal of our life on earth Rediscover Jesus lost keys to finding God within **Herald of the Star** ,1919 **Light of Life** John Wesley Evarts,1909

The Mystic Christ Ethan Walker,2003 The Mystic Christ is an ancient tale of mystic union salvation and enlightenment It is the careful uncovering of a lost treasure of immeasurable value long buried in the suffocating darkness of conventional orthodoxy on one side and blind fundamentalist extremism on the other From the viewpoint of the world s mystical religious traditions the brilliant light of the Master s way is revealed as a penetrating radical non duality unifying all people and all of

life His path to this all embracing unity is the spiritual practice of pure selfless love Love God intensely love our neighbor as our own Self bless those that curse us and pray for those that mistreat us Love has been lost becoming nothing more than a word in the dictionary and yet it remains the foundation of Jesus message *The Light's Vital Purposes* Margaret F
