Excerpt from The Life and Martyrdom Of Saint Thomas Becket Archbishop of Canterbury and Legate of the Holy See The life of St Thomas of Canterbury requires no introduction Panegyric and preliminary explanation are equally unnecessary for he is not a man the circumstances of whose career are but little known Every one will look for the most entire sympathy with him and his cause in the following pages and the writer cordially acknowledges that he entertains and is proud of this feeling At the same time he hopes that no one will think that because the Saint whose life he has ventured to write is a hero in his eyes he has recorded one word that he did not consider to be completely borne out by the ancient authorities In so controverted a part of history he has laid modern books aside and has relied for his facts on contemporary writers alone and his endeavour has been to enable the reader to weigh for himself the evidence on which his own judgment has been formed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
